

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Norman Hertel
DOCKET NO.: 20-04295.001-R-1
PARCEL NO.: 06-14-305-013

The parties of record before the Property Tax Appeal Board are Norman Hertel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,055
IMPR.: \$91,325
TOTAL: \$104,380

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling with vinyl siding exterior construction containing 1,972 square feet of living area. The dwelling was constructed in 2003. Features of the home include a basement, that has finished area, central air conditioning and an attached 440 square foot garage. The property has an approximately 6,650 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales that are located from .05 to .33 of a mile from the subject. The comparables have sites ranging in size from 6,011 to 6,643 square feet of land area that are improved with 1-story dwellings ranging in size from 1,840 to 2,162 square feet of living area. The dwellings were built from 1999 to 2002. The comparables have unfinished basements, central air conditioning and a 418 or 440 square foot garage. Three

comparables each have a fireplace. The comparables sold from May 2019 to June 2020 for prices ranging from \$245,000 to \$315,000 or from \$133.15 to \$145.70 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$104,380. The subject's assessment reflects a market value of \$313,548 or \$159.00 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .05 to .42 of a mile from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #6. The comparables have sites ranging in size from 6,090 to 9,680 square feet of land area that are improved with 1-story dwellings with vinyl siding exterior construction ranging in size from 1,972 to 2,170 square feet of living area. The dwellings were built from 2001 to 2004. The comparables have basements, three of which have finished area, central air conditioning, and an attached 418 or 440 square foot garage. Three comparables each have a fireplace. The comparables sold from February 2019 to October 2020 for prices ranging from \$315,000 to \$342,500 or from \$145.70 to \$173.68 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables due to their lack of finished basement area, unlike the subject. The Board also gives less weight to the board of review's comparable #4, which is the parties' common comparable, due to its lack of finished basement area, unlike the subject. The Board finds the board of review's remaining comparables are similar to the subject in location, style, age, size and features. The best comparables sold from February 2019 to October 2020 for prices ranging from \$335,000 to \$342,500 or from \$156.68 to \$173.68 per square foot of living area, including land. The subject's assessment reflects a market value of \$313,548 or \$159.00 per square foot of living area, including land, which falls below the range established by the best comparables in the record on a total market value basis but within the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is well supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
