

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Loretta Weber
DOCKET NO.: 20-04297.001-R-1
PARCEL NO.: 05-23-306-001

The parties of record before the Property Tax Appeal Board are Loretta Weber, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,519
IMPR.: \$110,568
TOTAL: \$130,087

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,390 square feet of living area. The dwelling was constructed in 1999. Features of the home include an unfinished walkout basement, central air conditioning, a fireplace, an attached 1,542 square foot garage, and a metal utility shed. The property has a 44,640 square foot site and is located in Ingleside, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .24 to .97 of a mile from the subject. The comparables have sites ranging in size from 41,850 to 56,419 square feet of land area that are improved with 2-story dwellings of frame exterior construction ranging in size from 2,711 to 3,560 square feet of living area. The dwellings were built from 1988 to 2003. The comparables have unfinished basements, central air conditioning, a fireplace and an

attached garage ranging in size from 748 to 1,038 square feet of building area. The comparables sold from May 2018 to May 2020 for prices ranging from \$290,000 to \$402,500 or from \$105.89 to \$113.06 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$130,087. The subject's assessment reflects a market value of \$390,769 or \$115.27 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .83 to .90 of a mile from the subject. The board of review's comparable #2 is the same property as the appellant's comparable #3. The comparables have sites with 40,040 or 41,850 square feet of land area that are improved with 1-story or 2-story dwellings of wood siding exterior construction ranging in size from 2,624 to 3,560 square feet of living area. The dwellings were built from 1992 to 2003. The comparables have basements, one of which has finished area, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 736 to 1,200 square feet of building area. The comparables sold from July 2019 to November 2020 for prices ranging from \$315,000 to \$402,500 or from \$111.44 to \$120.05 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #1 and #2, due to their smaller dwelling size or their sale date occurring greater than 19 months prior to the January 1, 2020 assessment date at issue. The Board also gives less weight to the board of review's comparable #3 due to its dissimilar 1-story style, its smaller dwelling size, and its finished basement area when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. However, each of the best comparables have a smaller site, have a smaller garage, lack a walkout style basement, and lack a metal utility shed when compared to the subject. Nevertheless, the best comparables sold in July 2019 and June 2020 for prices of \$402,500 and \$340,000 or \$113.06 and \$111.44 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$390,769 or \$115.27 per square foot of living area, including land, which falls between the market values of

the best comparables in the record on a total market value basis but above the market values on a per square foot basis. However, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's higher per square foot estimated market value as reflected by its assessment is justified. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
