

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Lincoln
DOCKET NO.: 20-04307.001-R-1
PARCEL NO.: 12-28-109-031

The parties of record before the Property Tax Appeal Board are Michael Lincoln, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$110,827
IMPR.: \$255,766
TOTAL: \$366,593

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco exterior construction with 3,333 square feet of living area. The dwelling was constructed in 2005. Features of the home include a basement, that has finished area, a fully finished attic, central air conditioning, four fireplaces, and a detached 582 square foot garage. The property has a 14,810 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from 1.57 to 1.73 miles from the subject. The comparables have sites ranging in size from 7,610 to 23,819 square feet of land area that are improved with 1.75-story or 2-story dwellings ranging in size from 2,536 to 3,992 square feet of living area. The dwellings were built from 1994 to 2013. The comparables have basements, one of which has finished area, central air conditioning, one or

four fireplaces, and a garage ranging in size from 576 to 791 square feet of building area. The comparables sold from February 2019 to July 2020 for prices ranging from \$655,000 to \$1,242,500 or from \$250.77 to \$315.46 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$366,593. The subject's assessment reflects a market value of \$1,101,211 or \$330.40 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .41 of a mile to 1.71 miles from the subject. The board of review's comparable #2 is the same property as the appellant's comparable #1, and the board of review listed the same comparable as #2 and #4. The comparables have sites ranging in size from 11,240 to 23,820 square feet of land area that are improved with 1.75-story or 2-story dwellings of wood siding, brick and wood siding or stone and wood siding exterior construction ranging in size from 2,809 to 4,192 square feet of living area. The dwellings were built from 2006 to 2015. The comparables have basements, two of which have finished area, central air conditioning, two or four fireplaces, and an attached or detached garage ranging in size from 479 to 791 square feet of building area. The comparables sold from February 2019 to November 2020 for prices ranging from \$1,055,000 to \$2,135,000 or from \$311.25 to \$509.30 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration, one of which was submitted by both parties. The Board finds none of the comparables submitted by the parties are particularly similar to the subject. The parties' comparables sold from February 2019 to November 2020 for prices ranging from \$655,000 to \$2,135,000 or from \$250.77 to \$509.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,101,211 or \$330.40 per square foot of living area, including land, which falls within the range established by the parties' comparables. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
