

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephena A. Romanoff
DOCKET NO.: 20-04328.001-R-1
PARCEL NO.: 12-21-112-009

The parties of record before the Property Tax Appeal Board are Stephena A. Romanoff, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$102,704
IMPR.: \$187,239
TOTAL: \$289,943

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,688 square feet of living area. The dwelling was constructed in 1986. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 462 square foot garage. The property has an approximately 9,370 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .06 to .54 of a mile from the subject. The comparables have sites ranging in size from 8,102 to 9,871 square feet of land area that are improved with 2-story dwellings ranging in size from 2,518 to 2,998 square feet of living area. The dwellings were built from 1986 to 1993. The comparables have basements, one of which has finished area, central air conditioning, a fireplace, and a garage

ranging in size from 440 to 594 square feet of building area. The comparables sold in January or April 2020 for prices ranging from \$715,000 to \$965,000 or from \$283.96 to \$321.88 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$289,943. The subject's assessment reflects a market value of \$870,961 or \$324.02 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .23 to .59 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 9,300 to 10,080 square feet of land area that are improved with 2-story dwellings ranging in size from 2,852 to 2,998 square feet of living area. The dwellings were built from 1990 to 2001. The comparables have basements, each of which have finished area, central air conditioning, from one to three fireplaces, and an attached or detached garage ranging in size from 441 to 594 square feet of building area. The comparables sold from April to December 2020 for prices ranging from \$950,000 to \$1,130,000 or from \$321.88 to \$390.73 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the board of review's comparable #3 due to its newer dwelling, when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from January to October 2020 for prices ranging from \$715,000 to \$1,130,000 or from \$283.96 to \$390.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$870,961 or \$324.02 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
