

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marcia Johnson
DOCKET NO.: 20-04344.001-R-1
PARCEL NO.: 11-28-105-054

The parties of record before the Property Tax Appeal Board are Marcia Johnson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,663
IMPR.: \$57,484
TOTAL: \$114,147

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,652 square feet of living area. The dwelling was constructed in 1984. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 448 square foot garage. The property has an approximately 8,470 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .17 of a mile to 1.04 miles from the subject. The comparables have sites ranging in size from 8,185 to 18,548 square feet of land area that are improved with 1-story dwellings of brick, frame or brick and frame exterior construction ranging in size from 1,390 to 1,712 square feet of living area. The dwellings were built from 1954 to 1983, with a home built in 1954 having a 1962 effective age.

The comparables have unfinished basements, central air conditioning and a garage ranging in size from 441 to 528 square feet of building area. Three comparables each have a fireplace. The comparables sold from January 2019 to April 2020 for prices ranging from \$275,000 to \$335,000 or from \$173.17 to \$225.29 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,147. The subject's assessment reflects a market value of \$342,887 or \$207.56 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .16 to .45 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #1. The comparables have sites ranging in size from 8,040 to 10,220 square feet of land area that are improved with 1-story dwellings of wood siding exterior construction containing 1,712 square feet of living area. The dwellings were built from 1973 to 1978. One comparable has an unfinished basement, two comparables have crawl-space foundations, and two comparables have slab foundations. The comparables have central air conditioning, a fireplace, and an attached 441 square foot garage. The comparables sold from June 2019 to September 2020 for prices ranging from \$320,000 to \$380,000 or from \$186.92 to \$221.96 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the board of review's comparables #2, #3, #4 and #5, due to their dissimilar crawl-space or slab foundation when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. However, each of the parties' best comparables has an older dwelling when compared to the subject. Nevertheless, the best comparables sold from January 2019 to April 2020 for prices ranging from \$275,000 to \$335,000 or from \$173.17 to \$225.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$342,887 or \$207.56 per square foot of living area, including land, which falls above the range established by the best comparables in the record on a total market value basis but within the range on a per square foot basis. However, after considering adjustments to the best comparables for differences when compared to the

subject, such as their older dwellings, the Board finds the subject's higher total estimated market value as reflected by its assessment is justified. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
