

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Pirih
DOCKET NO.: 20-04363.001-R-1
PARCEL NO.: 11-14-201-041

The parties of record before the Property Tax Appeal Board are Anthony Pirih, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$76,113
IMPR.: \$161,372
TOTAL: \$237,485

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,754 square feet of living area. The dwelling was constructed in 1996. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 614 square foot garage. The property has a 40,380 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .10 to .43 of a mile from the subject. The comparables have sites ranging in size from 39,423 to 45,440 square feet of land area that are improved with 2-story dwellings of frame, brick, brick and frame or frame and brick exterior construction ranging in size from 3,780 to 4,395 square feet of living area. The dwellings were built from 1993 to 2003. The comparables have unfinished basements,

central air conditioning, one or three fireplaces, and garages ranging in size from 704 to 889 square feet of building area. One comparable has a gazebo. The comparables sold from April to August 2019 for prices ranging from \$712,000 to \$795,000 or from \$163.82 to \$193.12 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$237,485. The subject's assessment reflects a market value of \$713,382 or \$190.03 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .11 to .39 of a mile from the subject. The board of review's comparables #1, #2 and #3, are the same properties as the appellant's comparables #1, #3 and #4, respectively. The comparables have sites ranging in size from 39,420 to 43,180 square feet of land area that are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,716 to 4,395 square feet of living area. The dwellings were built from 1994 to 2003. The comparables have unfinished basements, central air conditioning, from one to three fireplaces, and an attached garage ranging in size from 799 to 889 square feet of building area. The comparables sold from February 2018 to August 2019 for prices ranging from \$720,000 to \$795,000 or from \$163.82 to \$200.48 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration, three of which were submitted by both parties. The Board gives less weight to the appellant's comparables #1 and #3, due to their significantly larger dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #1, #2, #4 and #5, which includes two of the parties' common comparables, due to their significantly larger dwelling size when compared to the subject or their sale date occurring greater than 19 months prior to the January 1, 2020 assessment date at issue. The Board finds the parties' remaining comparables, which includes one of the parties' common comparables, have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2020 assessment date at issue. The best comparables sold in July and August 2019 for prices of \$730,000 and \$712,000 or \$193.12 and \$180.21 per square foot of living area, including land. The subject's assessment

reflects a market value of \$713,382 or \$190.03 per square foot of living area, including land, which falls between the market values of the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
