

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Sanderson
DOCKET NO.: 20-04370.001-R-1
PARCEL NO.: 11-11-306-001

The parties of record before the Property Tax Appeal Board are Christopher Sanderson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,347
IMPR.: \$122,472
TOTAL: \$191,819

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,760 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement, central air conditioning, a fireplace, and a 735 square foot garage. The property has a 39,601 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales located within .60 of a mile from the subject. The comparables have sites ranging in size from 40,084 to 44,460 square feet of land area and are improved with 2-story dwellings ranging in size from 2,735 to 3,342 square feet of living area. The dwellings were constructed from 1981 to 1986 with effective years built from 1981 to 1996. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 441 to 1,481 square feet of building area. The comparables

sold from May 2019 to July 2020 for prices ranging from \$500,000 to \$650,000 or from \$153.33 to \$197.44 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,819. The subject's assessment reflects a market value of \$576,206 or \$208.77 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .92 of a mile from the subject. The properties have sites ranging in size from 39,838 to 44,807 square feet of land area and are improved with 2-story dwellings of frame exterior construction ranging in size from 2,448 to 2,715 square feet of living area and were built in 1987 and 1988. Each comparable has a basement, central air conditioning, one fireplace, and a garage ranging in size from 483 to 780 square feet of building area. The comparables sold from December 2018 to May 2020 for prices ranging from \$530,000 to \$579,900 or from \$202.83 to \$224.26 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1, #3 and #5 which are less similar in dwelling size when compared to the subject. The Board gives less weight to board of review comparable #3 due to its December 2018 sale date being less proximate in time to the January 1, 2020 assessment date than the other sales in the record.

The Board finds the best evidence of market value to appellant's comparables #2, #4 and #6 as well as board of review comparables #1, #2, and #4 which overall are more similar to the subject in location, style, dwelling size, age and features. These comparables sold from May 2019 to July 2020 for prices ranging from \$510,000 to \$579,900 or from \$171.24 to \$224.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$576,206 or \$208.77 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
