

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Schwartz  
DOCKET NO.: 20-04416.001-R-1  
PARCEL NO.: 15-33-219-002

The parties of record before the Property Tax Appeal Board are William Schwartz, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$44,033  
**IMPR.:** \$149,375  
**TOTAL:** \$193,408

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick exterior construction with 3,248 square feet of living area. The dwelling was constructed in 1991. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 441 square feet of building area. The property has a 10,385 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .19 of a mile and within the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 2,618 to 3,166 square feet of living area. The homes were built in either 1990 or 1991. Each dwelling has central air conditioning, a fireplace, a basement with finished area, and a garage containing either 441 or

462 square feet of building area. The parcels range in size from 8,904 to 10,000 square feet of land area. The comparables sold from August 2019 to July 2020 for prices ranging from \$325,000 to \$536,250 or from \$124.14 to \$169.38 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$164,408.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,408. The subject's assessment reflects a market value of \$580,979 or \$178.87 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .23 of a mile of the subject and within the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,812 to 3,438 square feet of living area. The dwellings were built in either 1990 or 1991, with comparable #4 having an effective age of 1991. Each dwelling has central air conditioning, one or two fireplaces, a basement with four having finished area, and a garage containing either 441 or 667 square feet of building area. The parcels range in size from 8,760 to 12,910 square feet of land area. The comparables sold from July 2019 to July 2020 for prices ranging from \$488,000 to \$575,000 or from \$167.25 to \$187.94 per square foot of living area, including land. The board of review also submitted a Multiple Listing Service listing sheet for appellant comparable #2 and argued that the property was sold "as-is" and was in inferior condition. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #2 due to its smaller dwelling in relation to the subject. The Board also gives reduced weight to board of review comparable #5 due to its lack of finished basement area as compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #3 along with board of review comparable sales #1 through #4 which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$460,000 to \$575,000 or from \$162.09 to \$181.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$580,979 or \$178.87 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis. Based on this evidence and after

considering adjustments to the best comparables for differences when compared to the subject, such as age, parcel size, and dwelling size, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
