

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judy Simon  
DOCKET NO.: 20-04424.001-R-1  
PARCEL NO.: 16-33-201-083

The parties of record before the Property Tax Appeal Board are Judy Simon, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$75,949  
**IMPR.:** \$140,008  
**TOTAL:** \$215,957

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,182 square feet of living area. The dwelling was constructed in 1966. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a garage containing 462 square feet of building area. The property has a 17,000 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .28 of a mile and within the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of brick and wood siding exterior construction ranging in size from 2,058 to 3,579 square feet of living area. The homes were built from 1960 to 1965. Each dwelling has central air conditioning, one or two fireplaces, and a garage containing 462 square feet of

building area. Two comparables have concrete slab foundations and one comparable has a basement with finished area. Two comparables have parcels of 14,030 or 17,000 square feet of land area, with no parcel size data provided for comparable #3. The comparables sold from March to August 2020 for prices ranging from \$380,000 to \$587,500 or from \$164.15 to \$184.65 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$184,294.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$215,957. The subject's assessment reflects a market value of \$648,714 or \$203.87 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .23 of a mile of the subject, one of which is in the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,760 to 3,294 square feet of living area. The dwellings were built from 1964 to 1966 with comparable #2 having an effective age of 1983. Each dwelling has central air conditioning, a fireplace, and a garage ranging in size from 462 to 576 square feet of building area. One comparable has a concrete slab foundation, and four comparables each have a basement with one having finished area. The parcels range in size from 13,520 to 20,920 square feet of land area. The comparables sold from April 2019 to October 2020 for prices ranging from \$625,000 to \$740,000 or from \$208.08 to \$242.46 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, appellant's counsel argued that the board of review comparables are in an assessment neighborhood code which is dissimilar to the subject.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #3, as well as board of review comparables #2 through #5, due to their dissimilar foundations when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2, along with board of review comparable sale #1 which are similar to the subject in age, dwelling size, and features. These most similar comparables sold for prices ranging from \$550,000 to \$650,000 or from \$164.15 to \$233.14 per square foot of living area, including land. The

subject's assessment reflects a market value of \$648,714 or \$203.87 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
