

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jorie Sigismund
DOCKET NO.: 20-04429.001-R-1
PARCEL NO.: 16-25-302-019

The parties of record before the Property Tax Appeal Board are Jorie Sigismund, the appellant, by attorney Steven Kandelman, of Rieff Schramm Kanter & Guttman, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$191,426
IMPR.: \$126,697
TOTAL: \$318,123

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stone exterior construction with 4,047 square feet of living area. The dwelling was constructed in 1924 and has an effective age of 1927 or approximately 93 years old. Features of the home include a basement with finished area, central air conditioning, four fireplaces, and a 500 square foot garage. The property has a 51,690 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from 0.29 to 0.73 of a mile from the subject. The parcels range in size from 16,810 to 22,380 square feet of land area and are improved with 2-story, 2.5-story, or 3-story homes of brick, stucco, or wood siding exterior construction. The homes range in size from 3,625 to 4,502 square feet of living area and range in age from 68 to 90 years old. Each home has a basement, central air conditioning, one or two

fireplaces, and a garage ranging in size from 418 to 690 square feet of building area. The comparables sold from February to September 2020 for prices ranging from \$550,000 to \$940,000 or from \$151.21 to \$208.80 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$318,123. The subject's assessment reflects a market value of \$955,611 or \$236.13 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.11 of a mile to 1.38 miles from the subject. The parcels range in size from 14,800 to 42,430 square feet of land area and are improved with 2-story or 2.5-story homes of brick, stone, or wood siding exterior construction ranging in size from 3,568 to 4,841 square feet of living area. The dwellings were built from 1870 to 1935 and have effective ages ranging from 1920 to 1967. Each home has a basement with finished area,¹ central air conditioning, one to four fireplaces, and a garage ranging from 441 to 1,128 square feet of building area. The comparables sold from June 2019 to October 2020 for prices ranging from \$845,000 to \$1,425,000 or from \$236.80 to \$294.36 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, and #4 and the board of review's comparables #1, #2, #3, and #4, due to substantial differences from the subject in dwelling size and/or age/effective age. Moreover, the board of review's comparables #1, #3, and #4 are located approximately 1 mile from the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparable #1, which are more similar to the subject in dwelling size, age/effective age, location, and features, although these comparables have smaller sites than the subject, one comparable lacks finished basement area which is a feature of the subject, and one comparable has a much larger garage, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold in

¹ The board of review reported comparable #3 has a slab foundation but also reported finished basement area, suggesting this property has a partial basement.

June 2019 and February 2020 for prices of \$715,000 and \$1,022,000 or for \$164.18 and \$252.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$955,611 or \$236.13 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
