

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bonnie Clatch
DOCKET NO.: 20-04432.001-R-1
PARCEL NO.: 15-13-305-022

The parties of record before the Property Tax Appeal Board are Bonnie Clatch, the appellant, by attorney Steven Kandelman, of Rieff Schramm Kanter & Guttman, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,535
IMPR.: \$122,997
TOTAL: \$192,532

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,268 square feet of living area. The dwelling was constructed in 1972 and has an effective age of 1974. Features of the home include a basement, central air conditioning, two fireplaces, and a 506 square foot garage. The property has a 20,473 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales presented in two grid analyses. The comparables are located from 0.39 of a mile to 1.16 miles from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 20,909 to 30,928 square feet of land area and are improved with 2-story homes of brick and frame exterior construction ranging in size from 2,883 to 2,952 square feet of living area. The dwellings were

built from 1966 to 1975 with comparable #1 having an effective age of 1971. Each home has a basement, two of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 456 to 874 square feet of building area. The comparables sold from February to September 2019 for prices ranging from \$350,000 to \$488,000 or from \$121.07 to \$165.53 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$192,532. The subject's assessment reflects a market value of \$578,348 or \$176.97 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.40 of a mile to 1.24 miles from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 19,170 to 37,030 square feet of land area and are improved with 2-story homes of brick or brick and wood siding exterior construction ranging in size from 2,905 to 3,568 square feet of living area. The dwellings were built from 1966 to 1980 with comparables #4 and #5 having effective ages of 1971 and 1975, respectively. Four homes each have a basement, one of which has finished area, and one home has a crawl space foundation. Each home has central air conditioning and a garage ranging in size from 529 to 667 square feet of building area. Four homes each have one or two fireplaces. The comparables sold from July 2019 to October 2020 for prices ranging from \$592,500 to \$710,000 or from \$189.45 to \$244.41 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 and the board of review's comparables #1 and #3, due to substantial differences from the subject in dwelling size, location, lot size, foundation type, and/or basement finish.

The Board finds the best evidence of market value to be the appellant's comparable #4 and the board of review's comparables #2, #4 and #5, which are similar to the subject in dwelling size, age, location, lot size, and most features. These most similar comparables sold from August 2019 to September 2020 for prices ranging from \$485,000 to \$685,000 or from \$165.53 to \$202.29 per square foot of living area, including land. The subject's assessment reflects a market

value of \$578,348 or \$176.97 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
