

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Klerman
DOCKET NO.: 20-04439.001-R-1
PARCEL NO.: 16-29-108-014

The parties of record before the Property Tax Appeal Board are Brian Klerman, the appellant, by attorney Steven Kandelman, of Rieff Schramm Kanter & Guttman, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,270
IMPR.: \$117,183
TOTAL: \$158,453

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,373 square feet of living area. The dwelling was constructed in 1984. Features of the home include a basement, central air conditioning, a fireplace, and a 380 square foot garage. The property has an 8,220 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant's appeal is based on a contention of law. The appellant contends the assessment of the subject property as established by a decision of the Board for the 2019 tax year should be carried forward to the 2020 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Board the prior year under Docket Number 19-00952.001-R-1. In that appeal, the Board issued a decision lowering the assessment

of the subject property to \$158,184 based on the agreement of the parties. Based on this evidence the appellant requested a reduction in the subject's assessment to \$158,184.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$183,214. The board of review also reported that 2019 was the first year of the general assessment cycle for the subject property and that for tax year 2020 an equalization factor of 1.0017 was applied to non-farm properties in West Deerfield Township.

In response to the appeal based upon a contention of law, the board of review submitted a brief acknowledging the Board's decision in the 2019 tax year appeal. Based on this evidence the board of review requested the subject's assessment be reduced to \$158,453, which is the 2019 assessment amount of \$158,184 multiplied by the 2020 equalization factor of 1.0017.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2019 tax year should be carried forward to the 2020 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted based upon section 16-185.

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Board for the 2019 tax year under Docket No. 19-000952.001-R-1 in which a decision was issued based upon the agreement of the parties reducing the subject's assessment to \$158,184. The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2019 to 2020 tax years are within the same general assessment period and an equalization factor of 1.0017 was applied in West Deerfield Township in 2020. Furthermore, the decision of the Board for the 2019 tax year has not yet been reversed or modified upon review and there was no evidence the subject property recently sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$158,453, which is less than the 2020 assessment of the subject property of \$183,214. Based on this record, the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
