

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: VIP Holding Co., Peter Vole
DOCKET NO.: 20-04479.001-R-1
PARCEL NO.: 06-17-321-014

The parties of record before the Property Tax Appeal Board are VIP Holding Co., Peter Vole, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,119
IMPR.: \$37,075
TOTAL: \$46,194

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a raised ranch dwelling of vinyl siding exterior construction with 850 square feet of above ground living area. The dwelling was constructed in 1966. Features of the home include a finished lower level,¹ central air conditioning and a 672 square foot garage. The property has a 10,780 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with raised ranch dwellings of wood or vinyl siding exterior construction ranging in

size from 775 to 936 square feet of above ground living area. The dwellings were built from 1956 to 1976. The comparables each have a lower level, three of which have finished area. The comparables have improvement assessments that range from \$26,026 to \$30,653 or from \$27.81 to \$39.55 per square foot of above ground living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$27,651 or \$32.53 per square foot of above ground living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,194. The subject property has an improvement assessment of \$37,075 or \$43.62 per square foot of above ground living area. In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject. The comparables are improved with raised ranch dwellings of vinyl siding exterior construction with 925 or 936 square feet of above ground living area. The dwellings were built from 1972 to 1975. Each comparable has a finished lower level, central air conditioning and a garage ranging in size from 360 to 624 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments that range from \$40,296 to \$41,958 or from \$43.56 to \$45.32 per square foot of above ground living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their lack of a garage and central air conditioning, both features of the subject.

The Board finds the best evidence of assessment equity to be the comparables submitted by the board of review, which are overall more similar to the subject in dwelling size, design, age and many features. These five comparables have improvement assessments ranging from \$40,296 to \$41,958 or from \$43.56 to \$45.32 per square foot of living area. The subject's improvement assessment of \$37,075 or \$43.62 per square foot of living area falls below the range established by the best comparables in the record in terms of overall improvement assessment but within the range on a square foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
