

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: VIP Holding Co., Peter Vole
DOCKET NO.: 20-04481.001-R-1
PARCEL NO.: 06-17-126-013

The parties of record before the Property Tax Appeal Board are VIP Holding Co., Peter Vole, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,411
IMPR.: \$36,040
TOTAL: \$44,451

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhouse of vinyl siding exterior construction with 1,176 square feet of living area.¹ The dwelling was constructed in 1987. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 440 square foot garage. The property has a 3,430 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. Comparable sales #1 and #4 are the same property which sold twice. The comparables each have the same assessment neighborhood code as the subject and are located within .15 of a mile from the subject property. The

¹ The Board finds the best description of the subject property is found in the subject's property record card provided by the board of review revealing the subject townhouse is a two-story design with a concrete slab foundation and one fireplace, which was unrefuted by the appellant.

comparables have sites that range in size from 1,790 to 2,100 square feet of land area. The comparables are improved with townhouses of vinyl siding exterior construction, each containing 1,176 square feet of living area that were built in 1987. Each comparable has central air conditioning and either a 220 or 440 square foot garage. The comparables sold from March 2019 to January 2020 for prices ranging from \$25,000 to \$119,000 or from \$21.26 to \$101.19 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$28,852, which would reflect a market value of \$86,565 or \$73.61 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$44,451. The subject's assessment reflects a market value of \$133,527 or \$113.54 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .22 of a mile from the subject property. The comparables have sites that range in size from 1,860 to 3,200 square feet of land area. The comparables are improved with two-story townhouses of vinyl siding exterior construction, each containing 1,176 square feet of living area that were built in 1987 or 1988. Each comparable has a concrete slab foundation, central air conditioning and either a 220 or 440 square foot garage. The comparables sold from May to October 2020 for prices ranging from \$135,000 to \$157,500 or from \$114.80 to \$133.93 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable sale #1 as it appears to be an outlier due to its significantly lower sale price of \$25,000 or \$21.26 per square foot of living area, including land in comparison to the other comparable sales in the record.

The Board finds the best evidence of market value to be the parties' remaining comparable sales which are similar, if not identical to the subject in dwelling size, age and some features. These comparables sold from March 2019 to October 2020 for prices ranging from \$86,000 to \$157,500 or from \$73.13 to \$133.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$133,527 or \$113.54 per square foot of living area, including land, which falls within the range established by the best comparable sales in the

record both in terms of overall market value and on a price per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
