

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tuan Le Bui
DOCKET NO.: 20-04538.001-R-1
PARCEL NO.: 06-32-412-020

The parties of record before the Property Tax Appeal Board are Tuan Le Bui, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,363
IMPR.: \$88,616
TOTAL: \$102,979

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 3,433 square feet of living area. The dwelling was constructed in 2004. Features of the home include a basement, central air conditioning, a fireplace, and a 609 square foot garage. The property has an approximately 16,910 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.44 of a mile from the subject. The parcels range in size from 10,040 to 16,620 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction with 3,433 or 3,521 square feet of living area. The dwellings were built from 2004 to 2006. Each home has a basement, central air conditioning, a fireplace, and a 609 or 670 square foot garage. The comparables sold

from May 2019 to July 2020 for prices ranging from \$225,000 to \$307,500 or from \$65.54 to \$87.39 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,979. The subject's assessment reflects a market value of \$309,339 or \$90.11 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.46 of a mile from the subject. The parcels range in size from 9,100 to 9,830 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 3,433 to 3,640 square feet of living area. The dwellings were built from 2004 to 2006. Each home has a basement, central air conditioning, and a garage ranging in size from 609 to 701 square feet of building area. Three homes each have a fireplace. The comparables sold from June 2019 to June 2020 for prices ranging from \$309,000 to \$326,000 or from \$86.54 to \$92.12 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which sold for significantly less than other comparables in this record and appears to be an outlier.

The Board finds the best evidence of market value to be the remaining comparables, which are similar to the subject in dwelling size, age, location, and most features, although six of these comparables have smaller lots than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables sold from May 2019 to July 2020 for prices ranging from \$275,000 to \$326,000 or from \$80.10 to \$92.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$309,339 or \$90.11 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
