

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Powers  
DOCKET NO.: 20-04542.001-R-1  
PARCEL NO.: 06-27-105-006

The parties of record before the Property Tax Appeal Board are Jennifer Powers, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,397  
**IMPR.:** \$88,469  
**TOTAL:** \$104,866

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,534 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement, central air conditioning, a fireplace, a hot tub and a 483 square foot garage. The property has a 12,800 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .31 of a mile from the subject. The comparables have sites ranging in size from 10,390 to 14,240 square feet of land area and are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,042 to 2,547 square feet of living area. The dwellings were constructed from 1992 to 1994. The comparables have basements, two of which have finished area. Each comparable has

central air conditioning, one fireplace, and a garage ranging in size from 420 to 483 square feet of building area. The comparables sold from May 2019 to May 2020 for prices ranging from \$225,000 to \$264,500 or from \$94.23 to \$111.23 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$104,866. The subject's assessment reflects a market value of \$315,008 or \$124.31 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .36 of a mile from the subject. These properties have sites ranging in size from 11,200 to 14,420 square feet of land area and are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,528 to 2,630 square feet of living area and were built from 1992 to 1994. The comparables have basements, four of which have finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 420 to 669 square feet of building area. The comparables sold from October 2019 to October 2020 for prices ranging from \$332,500 to \$405,000 or from \$131.09 to \$153.99 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1 and #4 as well as board of review comparables #1, #2, #3 and #5 which have finished basement area unlike the subject. The Board gives less weight to appellant's comparable #2 due to its smaller dwelling size when compared to the subject.

The Board gives most weight to appellant's comparables #3 and #5 along with board of review comparable #4 which have unfinished basements and are similar to the subject in location, age, dwelling size, and other features. These comparables sold from May 2019 to September 2020 for prices ranging from \$245,000 to \$369,900 or from \$96.91 to \$145.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$315,008 or \$124.31 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
