

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Link  
DOCKET NO.: 20-04543.001-R-1  
PARCEL NO.: 06-27-101-049

The parties of record before the Property Tax Appeal Board are John Link, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,816  
**IMPR.:** \$67,510  
**TOTAL:** \$78,326

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,120 square feet of living area. The dwelling was constructed in 1995. Features of the home include a basement, central air conditioning, and a 400 square foot garage. The property has a 10,120 square foot site and is located in Hainesville, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .37 of a mile from the subject. The comparables have sites ranging in size from 7,200 to 9,060 square feet of land area and are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,120 to 2,408 square feet of living area. The dwellings were constructed from 1993 to 1998. The comparables have basements with finished area. Each comparable has central air conditioning and a garage with 400 square feet of building area. Four comparables each have

one fireplace. The comparables sold from April 2019 to April 2020 for prices ranging from \$210,000 to \$233,000 or from \$94.89 to \$107.87 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,326. The subject's assessment reflects a market value of \$235,284 or \$110.98 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .40 of a mile from the subject. These properties have sites ranging in size from 7,200 to 9,370 square feet of land area and are improved with 2-story dwellings of vinyl siding exterior construction with either 1,902 or 2,120 square feet of living area and were built from 1993 to 1996. The comparables have basements, four of which have finished area. Each comparable has central air conditioning and a garage with either 400 or 440 square feet of building area. Four comparables each have one fireplace. The comparables sold from June 2019 to August 2020 for prices ranging from \$232,400 to \$250,000 or from \$113.21 to \$122.19 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board gives less weight to appellant's comparable #4 as well as board of review comparable #5 which are less similar to the subject in dwelling size.

The Board gives most weight to the parties' remaining comparables which are most similar in dwelling size and are similar to the subject in location, age, and some features. However, seven comparables have finished basement area unlike the subject, suggesting downward adjustments are necessary to make them more equivalent to the subject. These comparables sold from April 2019 to August 2020 for prices ranging from \$210,000 to \$250,000 or from \$99.06 to \$117.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$235,284 or \$110.98 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record and is well supported by board of review comparable #3 which has an unfinished basement like the subject. Therefore, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is reasonable. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
