

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Glen Christophersen
DOCKET NO.: 20-04552.001-R-1
PARCEL NO.: 06-25-312-011

The parties of record before the Property Tax Appeal Board are Glen Christophersen, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,390
IMPR.: \$73,049
TOTAL: \$88,439

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,073 square feet of living area. The dwelling was built in 1991. Features of the home include a finished basement, central air conditioning, one fireplace, and a 420 square foot attached garage. The property has an approximately 10,447 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.36 of a mile from the subject. The comparables have sites that range in size from 8,140 to 11,470 square feet of land area. The appellant reported that the comparables are improved with ranch-style or 2-story dwellings of vinyl siding exterior construction ranging in size from 1,764 to 2,636 square feet of living area.

The dwellings were built in either 1992 or 1994 with comparables #1, #2, and #3 have effective built years of 1995 or 2001. Each comparable has a basement with four having finished area, central air conditioning, one fireplace, and a 396 to 484 square foot attached garage. The properties sold from June 2019 to May 2020 for prices ranging from \$200,000 to \$255,000 or from \$92.94 to \$113.38 per square foot of living area, land included.

Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,439, which would reflect a market value of \$265,662 or \$128.15 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

In support of the subject's assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.46 of a mile from the subject. The comparables have sites that range from 5,040 to 10,830 square feet of land area. The board of review reported that the comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,020 to 2,286 square feet of living area. The dwellings were built from 1993 to 1996 with effective built years from 1994 to 1999. Each comparable has a basement with three having finished area, central air conditioning, one fireplace, and a 400 to 420 square foot attached garage. Three comparables each have one fireplace. The properties sold from November 2019 to October 2020 for prices ranging from \$274,900 to \$314,000 or from \$121.47 to \$155.45 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #4 as well as board of review comparables #3 and #4 that differ from the subject in dwelling size, design, and/or lack basement finish, a feature of the subject.

The Board finds the evidence of market value to be the parties' remaining comparables which are overall more similar to the subject in location, design, age, dwelling size, and most features. These properties sold from June 2019 to October 2020 for prices ranging from \$210,000 to \$314,000 or from \$101.30 to \$155.45 per square foot of living area, land included. The subject's assessment reflects an estimated market value of \$265,662 or \$128.15 per square foot of living area, land included, which falls within the range established by the best comparable sales in the record. Based on the record and after considering adjustments to the best comparables for

differences from the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
