

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dominick Maiolo
DOCKET NO.: 20-04554.001-R-1
PARCEL NO.: 14-13-202-021

The parties of record before the Property Tax Appeal Board are Dominick Maiolo, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,427
IMPR.: \$216,577
TOTAL: \$285,004

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,791 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, three fireplaces, and a 927 square foot garage. The property has an approximately 28,327 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.38 of a mile from the subject. The comparables have sites that range in size from 27,020 to 40,570 square feet of land area. The appellant reported that the comparables are improved with 1-story or 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,067 to 5,304 square

feet of living area. The dwellings were built from 2004 to 2006. Each comparable has an unfinished basement with one being a walkout design, central air conditioning, one to three fireplaces, and a 787 to 1,446 square foot garage. Comparables #2 and #3 each have an inground swimming pool. The properties sold from July 2019 to July 2020 for prices ranging from \$690,000 to \$990,000 or from \$156.35 to \$186.65 per square foot of living area, including land.

Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$285,004, which would reflect a market value of \$856,125 or \$178.69 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.38 of a mile from the subject. Board of review comparables #2 and #5 are the same properties as the appellant's comparables #5 and #1, respectively. The comparables have sites that range in size from 27,080 to 40,570 square feet of land area. These comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 5,040 to 5,304 square feet of living area. The dwellings were built from 2004 to 2006. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces, and an 897 to 990 square foot garage. Comparable #1 has an inground swimming pool. The properties sold from May 2019 to October 2020 for prices ranging from \$788,000 to \$1,050,000 or from \$156.35 to \$199.17 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration, which included the parties' two common comparables. The Board gives less weight to the appellant's #2 and #3 as well as board of review comparable #1 which each have an inground swimming pool, which is not a feature of the subject.

The Board finds best evidence of market value to be the parties' five remaining comparables which are overall more similar to the subject in location, design, age, dwelling size, and most features. The properties sold from May 2019 to October 2020 for prices ranging from \$690,000

to \$952,000 or from \$156.35 to \$186.65 per square foot of living area, including land. The subject's assessment reflects a market value of \$856,125 or \$178.69 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
