

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kim Truong
DOCKET NO.: 20-04563.001-R-1
PARCEL NO.: 14-11-410-012

The parties of record before the Property Tax Appeal Board are Kim Truong, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,821
IMPR.: \$171,409
TOTAL: \$205,230

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,315 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 713 square foot garage. The property has an approximately 40,075 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.55 of a mile from the subject. The comparables have sites that range in size from 39,860 to 50,930 square feet of land area. The appellant reported that the comparables are improved with 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,230 to 3,966 square

feet of living area. The dwellings were built from 1986 to 2003. Each comparable has an unfinished basement with one being a walkout style, central air conditioning, one or two fireplaces, and a 690 to 888 square foot garage. The properties sold from April 2019 to July 2020 for prices ranging from \$410,000 to \$568,000 or from \$118.53 to \$143.65 per square foot of living area, land included. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$205,230, which would reflect a market value of \$616,491 or \$142.87 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject property and located within 0.23 of a mile from the subject. The comparables have sites that range in size from 40,080 to 44,430 square feet of land area. Board of review comparables #3 and #4 are the same properties as the appellant's comparables #2 and #1, respectively. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,954 to 4,503 square feet of living area. The dwellings were built from 2001 to 2003. Each comparable has an unfinished full basement, central air conditioning, one fireplace, and a 620 to 713 square foot garage. The properties sold from April 2019 to December 2020 for prices ranging from \$555,000 to \$685,000 or from \$139.94 to \$152.12 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, which included the parties' two common comparables. The Board gives less weight to the appellant's comparables #3, #4, and #5 which differ from the subject in age and/or dwelling size.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, including the parties' two common comparables, which are overall more similar to the subject in location, design, age, dwelling size, and most features. These properties sold from April 2019 to December 2020 for prices ranging from \$555,000 to \$685,000 or from \$139.94 to \$152.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$616,491 or \$142.87 per square foot of living area, including land, which falls within the range

established by the best comparable sales in the record. Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
