

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeff Lyons
DOCKET NO.: 20-04574.001-R-1
PARCEL NO.: 14-22-107-005

The parties of record before the Property Tax Appeal Board are Jeff Lyons, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,567
IMPR.: \$202,627
TOTAL: \$248,194

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,689 square feet of living area. The dwelling was constructed in 2008. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 640 square foot garage. The property has an approximately 14,998 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject property and located within 0.20 of a mile from the subject. The comparables have sites with either 12,070 or 13,220 square feet of land area. The appellant reported that the comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,133 to 4,987 square feet of living area. The

dwellings were built in 2006 or 2008. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces, and a 662 to 906 square foot garage. The properties sold from April to July 2019 for prices ranging from \$565,000 to \$760,000 or from \$113.29 to \$163.32 per square foot of living area, including land.

Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$260,675. The subject's assessment reflects a market value of \$783,043 or \$167.00 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject property and located within 0.17 of a mile from the subject. Board of review comparables #2 and #3 are the same properties as the appellant's comparables #2 and #1, respectively, which were described previously. Board of review comparable #1 has a site with 12,066 square feet of land area. The comparable is improved with a 2-story dwelling of brick exterior construction with 4,689 square feet of living area. The dwelling was built in 2007. The board of review reported that the comparable had an unfinished basement, central air conditioning, one fireplace, and a 640 square foot garage. The property sold in May 2021 for a price of \$818,000 or \$174.45 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains four suggested comparable sales for the Board's consideration, which includes the parties' two common comparables. The Board gives less weight to board of review comparable #1 which has a sale date 17 months after the lien date and thus is less proximate to the January 1, 2020 assessment than the other sales in the record.

The Board finds the best evidence of market value to be the parties' remaining comparables, which includes the parties' two common comparables. These comparables are similar to the subject in location, design, age, dwelling size, and other features. The comparables sold from April to July 2019 for prices ranging from \$565,000 to \$760,000 or from \$113.29 to \$163.32, land included. The subject's assessment reflects a market value of \$783,043 or \$167.00 per square foot of living area, including land, which falls above the range established by the best

comparables sales in the record. Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
