

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laurie Roemisch
DOCKET NO.: 20-04576.001-R-1
PARCEL NO.: 07-18-402-004

The parties of record before the Property Tax Appeal Board are Laurie Roemisch, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,667
IMPR.: \$125,203
TOTAL: \$144,870

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,174 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 714 square foot garage. The property has a 10,020 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .56 of a mile from the subject. The comparables have sites ranging in size from 10,020 to 14,810 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,520 to 3,422 square feet of living area. The dwellings were constructed from 1994 to 2001 with basements, one of which has finished area. Each comparable has central air

conditioning, one or two fireplaces and a garage ranging in size from 440 to 812 square feet of building area. The comparables sold from March 2019 to June 2020 for prices ranging from \$300,000 to \$420,000 or from \$95.06 to \$147.62 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,870. The subject's assessment reflects a market value of \$435,176 or \$137.11 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .49 of a mile from the subject. These properties have sites ranging in size from 10,020 to 14,370 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction ranging in size from 3,051 to 3,247 square feet of living area and were built from 1995 to 2003. The comparables have basements, three of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 570 to 903 square feet of building area. The comparables sold from August 2019 to October 2020 for prices ranging from \$447,000 to \$474,900 or from \$137.67 to \$154.70 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2, #4 and #5 along with board of review comparables #1 and #2 which are less similar in dwelling size and/or have unfinished basements when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable #3 as well as board of review comparables #3, #4 and #5 which overall are more similar to the subject in location, age, dwelling size and features. These comparables sold from March 2019 to October 2020 for prices ranging from \$420,000 to \$455,000 or from \$137.57 to \$143.58 per square foot of living area, including land. The subject's assessment reflects a market value of \$435,176 or \$137.11 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record on overall market value and slightly below on price per square foot. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
