

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Van Etten
DOCKET NO.: 20-04579.001-R-1
PARCEL NO.: 07-17-402-001

The parties of record before the Property Tax Appeal Board are Jeffrey Van Etten, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,788
IMPR.: \$70,588
TOTAL: \$85,376

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,622 square feet of living area. The dwelling was constructed in 1993. Features of the home include a full basement that is finished with a recreation room, central air conditioning, a fireplace and a 400 square foot garage. The property has an 11,420 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within .20 of a mile from the subject property. The comparables have sites that range in size from 12,120 to 17,860 square feet of land area and are improved with two-story dwellings of wood siding exterior construction. The dwellings range in size from 1,872 to 2,125 square feet of living area and were built in 1992 or 1994. Each dwelling has a full basement, one of which is finished with a

recreation room, central air conditioning and a garage containing 380 or 420 square feet of building area. Two homes each have one fireplace. The comparables sold from January 2019 to May 2020 for prices ranging from \$200,000 to \$273,000 or from \$100.25 to \$141.56 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$68,817, which would reflect a market value of \$206,472 or \$127.29 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,376. The subject's assessment reflects a market value of \$256,461 or \$158.11 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .38 of a mile from the subject property. The board of review's comparable #3 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 9,580 to 15,980 square feet of land area and are improved with two-story dwellings of wood siding exterior construction. The dwellings range in size from 1,634 to 1,909 square feet of living area and were built from 1992 to 1994. Each dwelling has a full basement, three of which are finished with a recreation room, central air conditioning, one fireplace and a garage ranging in size from 380 to 420 square feet of building area. The comparables sold from September 2019 to October 2020 for prices ranging from \$259,000 to \$315,000 or from \$140.49 to \$165.44 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparables #1 and #2, as well as board of review comparables #1 and #2 due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be the parties' comparable, along with board of review comparables #4 and #5, which are overall more similar to the subject in location, dwelling size, design, age and some features. These comparables sold in May or October 2020 for prices ranging from \$259,000 to \$315,000 or from \$140.49 to \$165.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$256,461 or \$158.11 per square foot of living area, including land, which falls below the range established by the best comparable sales in the record in terms of overall market value but within the range on a

price per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
