

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joshua Pejsach
DOCKET NO.: 20-04581.001-R-1
PARCEL NO.: 07-17-113-015

The parties of record before the Property Tax Appeal Board are Joshua Pejsach, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,674
IMPR.: \$85,297
TOTAL: \$98,971

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding construction with 2,248 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 480 square foot garage. The property has a 6,970 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .60 of a mile from the subject property. The comparables have sites that range in size from 7,410 to 11,330 square feet of land area. The

comparables are improved with one-story¹ or two-story dwellings of wood siding exterior construction ranging in size from 2,106 to 2,559 square feet of living area. The dwellings were built from 1994 to 1998. The comparables each have a basement, two of which have finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 420 to 552 square feet of building area. The comparables sold from January 2019 to June 2020 for prices ranging from \$221,000 to \$307,500 or from \$104.94 to \$123.30 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$52,610, which would reflect a market value of \$247,855 or \$110.26 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,971. The subject's assessment reflects a market value of \$297,299 or \$132.25 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .60 of a mile from the subject property, where board of review comparable #2 is the same property as the appellant's comparable #5. The comparables have sites that range in size from 7,410 to 11,330 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,236 to 2,547 square feet of living area. The dwellings were built from 1995 to 1998. The comparables each have a basement, one of which has finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 420 to 483 square feet of building area. The comparables sold from May 2019 to August 2020 for prices ranging from \$305,000 to \$325,000 or from \$123.30 to \$142.67 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration, as one sale was common to the parties. The Board finds all the comparables are similar to the subject in location, dwelling size, age and some features, except five of the comparables lack basement finished area, suggesting upward adjustments would be required to make these comparables more equivalent to the subject. Nevertheless, the comparables sold from January 2019 to August

¹ The appellant's comparable #2 has a ground floor area of 740 square feet with an above ground area of 2,258 square feet, suggesting the dwelling is part two-story in design.

2020 for prices ranging from \$221,000 to \$325,000 or from \$104.94 to \$142.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$297,299 or \$132.25 per square foot of living area, including land, which falls within the range established by the comparable sales in the record both in terms of overall market value and on a price per square foot basis. Based on this record, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
