

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carissa & Eric Wheeler
DOCKET NO.: 20-04589.001-R-1
PARCEL NO.: 14-21-201-007

The parties of record before the Property Tax Appeal Board are Carissa & Eric Wheeler, the appellants, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,314
IMPR.: \$90,824
TOTAL: \$107,138

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,443 square feet of above ground living area. The dwelling was constructed in 1971. Features of the home include a finished lower level, central air conditioning, a fireplace and a 506 square foot garage. The property has a 10,700 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .68 of a mile from the subject property. The comparables have sites that range in size from 8,600 to 14,250 square feet of land area. The comparables are improved with one-story dwellings of wood siding exterior construction ranging in size from 1,456 to 1,724 square feet of above ground living area. The dwellings were built in

1970 or 1971 with comparable #2 having a reported effective age of 1973. Two comparables have concrete slab foundations and three comparables have finished lower levels. Each comparable has central air conditioning and a garage ranging in size from 273 to 506 square feet of building area. Two comparables each have one fireplace. The comparables sold from May 2019 to June 2020 for prices ranging from \$255,000 to \$338,500 or from \$151.61 to \$196.35 per square foot of above ground living area, including land. Based on this evidence, the appellants requested the subject's assessment be reduced to \$85,864, which would reflect a market value of \$257,618 or \$178.53 per square foot of above ground living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,138. The subject's assessment reflects a market value of \$321,832 or \$223.03 per square foot of above ground living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .66 of a mile from the subject property. The comparables have sites with either 8,750 or 9,450 square feet of land area. The comparables are improved with one-story dwellings of wood siding exterior construction, each containing 1,456 square feet of above ground living area. The dwellings were built in 1970 or 1971. Each comparable has a finished lower level, central air conditioning and a 506 square foot garage. Two comparables each have one fireplace. The comparables sold from April 2019 to September 2020 for prices ranging from \$317,500 to \$352,000 or from \$218.06 to \$241.76 per square foot of above ground living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellants' comparables #2, #3, #4 and #5 due to their larger dwelling sizes and/or dissimilar concrete slab foundations, when compared to the subject.

The Board finds the best evidence of market value to be the appellants' comparable #1, along with the five comparables presented by the board of review, which are overall most similar to the subject in location, dwelling size, design, age and some features. These comparables sold from April 2019 to September 2020 for prices ranging from \$281,000 to \$352,000 or from \$192.99 to \$241.76 per square foot of above ground living area, including land. The subject's assessment reflects a market value of \$321,832 or \$223.03 per square foot of above ground living area,

including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
