

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yaroslav Shkolnik
DOCKET NO.: 20-04590.001-R-1
PARCEL NO.: 14-15-402-025

The parties of record before the Property Tax Appeal Board are Yaroslav Shkolnik, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,636
IMPR.: \$117,246
TOTAL: \$143,882

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,784 square feet of living area. The dwelling was constructed in 2017. Features of the home include a basement, central air conditioning, a fireplace and a 462 square foot garage. The property has a 7,980 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .64 of a mile from the subject property. The comparables have sites that range in size from 7,410 to 9,730 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,096 to 3,270 square feet of living area. The dwellings were built from 1988 to 2008. Each comparable has a basement, central air conditioning and a garage ranging in size

from 420 to 608 square feet of building area. Two comparables each have one fireplace. The comparables sold from April 2019 to April 2020 for prices ranging from \$287,000 to \$392,500 or from \$100.15 to \$139.79 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$112,532, which would reflect a market value of \$337,630 or \$121.28 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$143,882. The subject's assessment reflects a market value of \$432,208 or \$155.25 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .71 of a mile from the subject property, where board of review comparable #2 is the same property as the appellant's comparable #4. The comparables have sites that range in size from 5,360 to 9,100 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,445 to 2,928 square feet of living area. The dwellings were built from 1994 to 2008. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 440 to 520 square feet of building area. The comparables sold from April 2019 to October 2020 for prices ranging from \$380,000 to \$555,000 or from \$134.05 to \$226.99 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparables, as well as board of review comparables #1, #2 and #5 due to differences from the subject in dwelling size and/or age.

The Board finds the best evidence of market value to be board of review comparables #3 and #4, which are overall most similar to the subject in location, dwelling size, age and some features, however, the comparable dwellings are either 9 or 10 years older than the subject dwelling and each comparable has a smaller site size when compared to the subject. Nevertheless, the comparables sold in December 2019 and October 2019, each for a price of \$390,000 or for \$147.90 and \$138.79 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$432,208 or \$155.25 per square foot of living area, including land, which falls above the two best comparable sales in the record, but appears to be

justified given its superior age and site size. Therefore, based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
