

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa Buboltz  
DOCKET NO.: 20-04606.001-R-1  
PARCEL NO.: 14-30-205-019

The parties of record before the Property Tax Appeal Board are Lisa Buboltz, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$24,622  
**IMPR.:** \$114,364  
**TOTAL:** \$138,986

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,238 square feet of living area<sup>1</sup>. The dwelling was built in 1989. Features of the home include an unfinished walkout style basement, central air conditioning, one fireplace, and a 400 square foot attached garage. The property has an approximately 11,308 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.29 of a mile from the subject.

---

<sup>1</sup> The parties disagree as to the subject's dwelling size and lot size. The Board finds the best evidence of this information is found in the property record card presented by the board of review, which was not refuted by the appellant.

The comparables have sites that range in size from 10,040 to 16,940 square feet of land area. The appellant reported that the comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 1,990 to 2,515 square feet of living area. The dwellings were each built in 1989. Each comparable has an unfinished basement, central air conditioning, one fireplace, and either a 400 or 441 square foot attached garage. The properties sold from April 2019 to June 2020 for prices ranging from \$310,000 to \$375,000 or from \$141.15 to \$175.88 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$115,662, which would reflect a market value of \$347,021 or \$155.06 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,986 reflecting a market value of \$417,501 or \$186.55 per square foot of living area, including land, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on seven comparable sales with the same assessment neighborhood code as the subject property and located within 0.32 of a mile from the subject. The comparables have sites that range from 10,146 to 11,941 square feet of land area. The board of review reported that the comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 1937 to 2,022 square feet of living area. The dwellings were each built in 1988 or 1989. Each comparable has an unfinished basement, central air conditioning, one fireplace, and either a 400 or 420 square foot attached garage. The properties sold from August 2019 to November 2020 for prices ranging from \$385,000 to \$407,500 or from \$184.92 to \$204.77 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains twelve comparable sales for the Board's consideration. The Board finds the parties' comparables to be relatively similar to the subject in location, design, age, dwelling size, and most features. These properties sold from April 2019 to November 2020 for prices ranging from \$310,000 to \$407,500 or from \$141.15 to \$204.77 per square foot of living area, land included. The subject's assessment reflects an estimated market value of \$417,501 or \$186.55 per square foot of living area, land included, which falls within the range established by the comparable sales in the record on a per square foot basis. Based on the record and after considering adjustments to the comparables for differences from the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
