

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Guthrie
DOCKET NO.: 20-04619.001-R-1
PARCEL NO.: 07-33-301-011

The parties of record before the Property Tax Appeal Board are Nancy Guthrie, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,194
IMPR.: \$135,194
TOTAL: \$164,388

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,442 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 552 square foot garage. The property has a 13,940 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .51 of a mile from the subject property. The comparables have sites that range in size from 10,500 to 22,040 square feet of land area. The comparables are improved with one-story dwellings of wood siding exterior construction ranging in size from 2,239 to 2,400 square feet of living area. The dwellings were built from 1996 to

2002. The appellant reported that each comparable has a full basement, three of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 506 to 759 square feet of building area. The comparables sold from May 2019 to July 2020 for prices ranging from \$385,000 to \$462,000 or from \$164.32 to \$205.52 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$150,159, which would reflect a market value of \$450,522 or \$184.49 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$164,388. The subject's assessment reflects a market value of \$493,806 or \$202.21 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales, where comparables #3 and #4 are the same properties as the appellant's comparables #5 and #2, respectively. The comparables are located within .51 of a mile from the subject property and each has the same assessment neighborhood code as the subject. The comparables have sites that range in size from 10,010 to 16,120 square feet of land area. The comparables are improved with one-story dwellings of wood siding exterior construction ranging in size from 2,169 to 2,248 square feet of living area. The dwellings were built in 1996 or 2001. The comparables each have a basement with finished area, two of which are walk-outs. Each comparable has central air conditioning, one or two fireplaces and a garage with either 506 or 529 square feet of building area. The comparables sold from May 2019 to November 2020 for prices ranging from \$460,000 to \$525,000 or from \$205.45 to \$236.27 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, as two sales were common to the parties. The Board has given less weight to the appellant's comparables #3 and #4 due to their unfinished basements, when compared to the subject's finished basement.

The Board finds the best evidence of market value to be the parties' remaining comparable sales, including the two common comparables, which are similar to the subject in location, dwelling size, design, age and some features. The comparables sold from May 2019 to November 2020 for prices ranging from \$455,000 to \$525,000 or from \$202.40 to \$236.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$493,806 or

\$202.21 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record in terms of overall market value but slightly below the range on a price per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
