

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ann Navar
DOCKET NO.: 20-04620.001-R-1
PARCEL NO.: 07-33-301-005

The parties of record before the Property Tax Appeal Board are Ann Navar, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,756
IMPR.: \$143,711
TOTAL: \$177,467

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 2,674 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 575 square foot garage. The property has a 16,120 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .50 of a mile from the subject. The comparables have sites ranging in size from 10,500 to 22,040 square feet of land area and are improved with 1-story or 1.5-story dwellings ranging in size from 2,343 to 3,285 square feet of living area. The dwellings were constructed from 1992 to 2002. The comparables have basements, two of which have finished area. Each comparable has central air conditioning,

one or two fireplaces and a garage ranging in size from 528 to 759 square feet of building area. The comparables sold from February 2019 to July 2020 for prices ranging from \$385,000 to \$600,000 or from \$146.22 to \$182.65 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$177,467. The subject's assessment reflects a market value of \$533,094 or \$198.62 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .50 of a mile from the subject. The properties have sites ranging in size from 10,000 to 16,210 square feet of land area and are improved with 1-story dwellings of wood siding exterior construction ranging in size from 1,884 to 2,416 square feet of living area and were built from 2000 to 2015. The comparables have basements, two of which have finished area. Each comparable has central air conditioning and a garage ranging in size from 493 to 713 square feet of building area. Three comparables each have one or two fireplaces. The comparables sold from May 2019 to April 2020 for prices ranging from \$425,000 to \$652,000 or from \$200.00 to \$293.56 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1 and #5 due to their dissimilar design when compared to the subject. The Board gives less weight to board of review comparables #2, #3 and #4 due to their difference in year built when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparables #2, #3 and #4 as well as board of review comparable #1 which are more similar in design and year built with varying degrees of similarity in dwelling size and features. These comparables sold from November 2019 to March 2020 for prices ranging from \$385,000 to \$600,000 or from \$164.32 to \$200.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$533,094 or \$198.62 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that the subject's estimated market value as reflected by its assessment is overvalued. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
