

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Derek Kenar
DOCKET NO.: 20-04635.001-R-1
PARCEL NO.: 11-20-418-002

The parties of record before the Property Tax Appeal Board are Derek Kenar, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,663
IMPR.: \$83,691
TOTAL: \$140,354

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,264 square feet of living area that was constructed in 1973 and has an effective age of 1987. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 482 square foot garage. The property has an approximately 9,930 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.39 of a mile from the subject property. The comparables have sites that range in size from 9,660 to 12,030 square feet of land area and are improved with either a one-story¹ or a two-story dwelling of wood siding

¹ Board of review comparable #1 has ground floor area of 504 square feet with an above ground area of 2,744 square feet, suggesting this dwelling to be a part two-story.

exterior construction that range in size from 1,948 to 2,744 square feet of living area. The dwellings were built from 1972 to 1975. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 431 to 482 square feet of building area. The properties sold from March 2019 to June 2020 for prices ranging from \$340,000 to \$430,000 or from \$150.24 to \$183.38 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$126,734 which reflects a market value of \$380,240 or \$167.95 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$140,354. The subject's assessment reflects a market value of \$421,610 or \$186.22 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.42 of a mile from the subject property. The comparables have sites that range in size from 11,550 to 13,530 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 1,948 to 2,441 square feet of living area. The homes were built in 1973 or 1975 with comparable #4 having an effective age of 1979. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage with either 441 or 482 square feet of building area. The properties sold from May 2019 to October 2020 for prices ranging from \$425,000 to \$465,000 or from \$187.80 to \$236.14 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1 and #4 along with board of review comparables #1 and #2 which are less similar to the subject in dwelling size than other properties in the record. The Board finds the best evidence of market value to be appellant comparables #2, #3 and #5 as well as board of review comparables #3, #4 and #5 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from May 2019 to June 2020 for prices ranging from \$340,000 to \$437,000 or from \$150.24 to \$193.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$421,610 or \$186.22 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified, and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
