

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Han Shin
DOCKET NO.: 20-04647.001-R-1
PARCEL NO.: 15-06-420-002

The parties of record before the Property Tax Appeal Board are Han Shin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,663
IMPR.: \$80,339
TOTAL: \$101,002

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 1,776 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning and a 460 square foot garage. The property has an approximately 1,307 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that are located within 0.10 of a mile from the subject. The comparables have sites ranging in size from 2,512 to 7,561 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction with 1,598 or 1,814 square feet of living area. The homes were built in 1996. Each comparable has a basement with one having finished area, central air conditioning, and a 400 or 462 square

foot garage. One comparable has one fireplace. The properties sold from June 2019 to February 2020 for prices ranging from \$270,000 to \$310,000 or from \$168.96 to \$178.35 per square foot of living area, land included. Based on this evidence, the appellant requested that the subject's assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$101,002 which reflects a market value of \$303,400 or \$170.83 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within 0.10 of a mile from the subject. The board of review comparables are the same properties as the appellant's comparables which were previously described. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of three common comparable sales for the Board's consideration. The Board finds these comparables to be similar to the subject in location, design, age, dwelling size, and most amenities. The properties sold from June 2019 to February 2020 for prices ranging from \$270,000 to \$310,000 or from \$168.96 to \$178.35 per square foot of living area, land included. The subject's assessment reflects a market value of \$303,400 or \$170.83 per square foot of living area, land included, which falls within the range established by the comparable sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
