

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Regina Anderson
DOCKET NO.: 20-04650.001-R-1
PARCEL NO.: 15-06-416-005

The parties of record before the Property Tax Appeal Board are Regina Anderson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,755
IMPR.: \$83,641
TOTAL: \$110,396

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,798 square feet of living area. The dwelling was built in 1991. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 420 square foot garage. The property has an approximately 14,561 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within 0.37 of a mile from the subject property. The comparables have sites that range in size from 7,590 to 10,464 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 1,798 to 1,920 square feet of living area. The dwellings were built in 1989 or 1990. Each comparable has a basement with three having finished area; central

air conditioning; and a 400 or 420 square foot garage. One comparable has one fireplace. The properties sold in May to December 2019 for prices ranging from \$257,000 to \$342,500 or from \$134.38 to \$190.49 per square foot of living area, land included. The appellant submitted supplemental notes and MLS listing sheets for comparables #1 and #5 which disclosed these comparables were rehabbed in 2016 and 2013, respectively. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$110,396 which reflects a market value of \$331,619 or \$184.44 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 0.38 of a mile from the subject. Board of review comparables #1, #4, and #5 are the same properties as appellant comparables #5, #1, and #4, respectively, which were previously described; however, the board of review reported an additional sale for its comparable #4 which was not disclosed by the appellant. The two unique comparables have sites with 8,770 or 13,290 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction with 1,798 or to 1,896 square feet of living area. The dwellings were built in 1989. Each comparable has a basement with one having finished area, central air conditioning, and a 420 square foot garage. One comparable has one fireplace. The three properties sold in June and July 2020 for prices ranging from \$348,900 to \$361,000 or from \$184.51 to \$194.05 per square foot of living area, land included, respectively. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration, which includes the parties' three common comparables and an additional sale for appellant/comparable #1/board of review comparable #4. The Board gives less weight to appellant comparable #1/board of review comparable #4, appellant comparable #2, as well as board of review comparable #3 which lack basement finish, which is a feature of the subject.

The Board finds the best evidence of market value to be parties' four remaining comparables, which includes two of the parties' common comparables. These comparables are overall more similar to the subject in location, design, age, dwelling size, basement finish, and most amenities. The properties sold from May 2019 to June 2020 for prices ranging from \$282,000 to \$348,900 or from \$156.84 to \$194.05 per square foot of living area, land included. The subject's assessment reflects a market value of \$331,619 or \$184.44 per square foot of living area, land

included, which falls within the range established by the best comparable sales in the record. Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
