

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Reena Saluja
DOCKET NO.: 20-04658.001-R-1
PARCEL NO.: 15-06-403-019

The parties of record before the Property Tax Appeal Board are Reena Saluja, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,760
IMPR.: \$102,412
TOTAL: \$133,172

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,511 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement, central air conditioning, a fireplace and a 400 square foot garage. The property has an approximately 8,770 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .63 of a mile from the subject property. The comparables have sites that range in size from 8,484 to 12,443 square feet of land area. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 2,396 to 2,677 square feet of living area. The dwellings were built from 1989 to 1993.

The comparables each have a basement, three of which have finished area. Each comparable has central air conditioning and a garage ranging in size from 420 to 497 square feet of building area. Four comparables each have one or two fireplaces. The comparables sold from June 2019 to March 2020 for prices ranging from \$300,000 to \$423,000 or from \$112.07 to \$164.86 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$125,537, which would reflect a market value of \$376,649 or \$150.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,172. The subject's assessment reflects a market value of \$400,036 or \$159.31 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .77 of a mile from the subject property. The comparables have sites that range in size from 12,000 to 15,840 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,474 to 2,842 square feet of living area. The dwellings were built in 1989 or 1992. The comparables each have a basement, three of which have finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 420 to 498 square feet of building area. Comparable #3 has an inground swimming pool. The comparables sold from April to August 2019 for prices ranging from \$445,000 to \$495,000 or from \$168.37 to \$187.95 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #3 and #5, as well as board of review comparables #2, #3 and #4 as each dwelling has a finished basement, unlike the subject. Furthermore, board of review comparable #2 has a larger dwelling size when compared to the subject and board of review comparable #3 has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales #2 and #4, along with board of review comparable sales #1 and #5, which are similar to the subject in location, dwelling size, design, age and some features. These four comparables sold from May

2019 to March 2020 for prices ranging from \$392,500 to \$495,000 or from \$148.51 to \$182.45 per square foot of living area, including land. The subject's assessment reflects a market value of \$400,036 or \$159.31 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
