

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marcia Lonergan
DOCKET NO.: 20-04671.001-R-1
PARCEL NO.: 15-12-202-019

The parties of record before the Property Tax Appeal Board are Marcia Lonergan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$77,771
IMPR.: \$163,776
TOTAL: \$241,547

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 2,989 square feet of living area. The dwelling was constructed in 1954 and has an effective year built of 1962. Features of the home include a basement with finished area, central air conditioning, a fireplace, a gazebo and a 504 square foot garage. The property has a 29,621 square foot site and is located in Lake Forest, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within .34 of a mile from the subject. The comparables have sites ranging in size from 30,492 to 60,984 square feet of land area and are improved with 1-story dwellings ranging in size from 2,477 to 2,995 square feet of living area. The dwellings were constructed from 1956 to 1976 with the oldest comparable having an effective year built of 1977. The comparables have basements, with one having

finished area. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 484 to 756 square feet of building area. The comparables sold from January to November 2019 for prices ranging from \$495,000 to \$805,000 or from \$199.84 to \$268.78 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$241,547. The subject's assessment reflects a market value of \$725,584 or \$242.75 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .77 of a mile from the subject where comparables #1 and #4 are the same as appellant's comparables #3 and #2, respectively. The properties have sites ranging in size from 12,370 to 72,750 square feet of land area and are improved with 1-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 1,954 to 2,995 square feet of living area and were built from 1956 to 2000 with the oldest comparable having an effective year built of 1977. The comparables have basements, four of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 484 to 756 square feet of building area. Comparable #4 has an inground swimming pool. The comparables sold from January 2019 to August 2020 for prices ranging from \$532,000 to \$805,000 or from \$248.15 to \$272.26 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, two of which are common to both parties. The Board gives less weight to appellant's comparable #1 as well as board of review comparables #2, #3 and #5 due to significant differences from the subject in age, dwelling size and/or site size.

The Board finds the best evidence of market value to be the parties' two common comparables which overall are more similar to the subject in location, age, site size, design, dwelling size and some features. However, one comparable lacks finished basement area which is a feature of the subject and one comparable has an inground swimming pool which is not a feature of the subject. Nevertheless, these two comparables sold in January and November 2019 for prices of \$677,500 and \$805,000 or \$258.19 and \$268.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$725,584 or \$242.75 per square foot of living

area, including land, which is bracketed by the two best comparables on overall market value and below on price per square foot. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
