

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Jackson
DOCKET NO.: 20-04684.001-R-1
PARCEL NO.: 15-08-210-002

The parties of record before the Property Tax Appeal Board are James Jackson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,909
IMPR.: \$85,563
TOTAL: \$106,472

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,314 square feet of above ground living area. The dwelling was constructed in 1976. Features of the home include a finished lower level, central air conditioning, and a 528 square foot garage. The property has a 10,433 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .69 of a mile from the subject. The comparables have sites ranging in size from 6,645 to 10,605 square feet of land area and are improved with split-level dwellings of frame exterior construction that were built from 1977 to 1983 ranging in size from 1,250 to 1,482 square feet of above ground living area. Each comparable has a finished lower level, central air conditioning, and a garage ranging in size from

441 to 528 square feet of building area. Three comparables each have a fireplace. The comparables sold from September 2019 to June 2020 for prices ranging from \$264,000 to \$350,000 or from \$204.65 to \$280.00 per square foot of above ground living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$106,472. The subject's assessment reflects a market value of \$319,832 or \$243.40 per square foot of above ground living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .69 of a mile from the subject where comparables #1 and #3 are the same as appellant's comparables #4 and #1, respectively. The comparables have sites ranging in size from 6,640 to 9,060 square feet of land area and are improved with tri-level dwellings of wood siding exterior construction that were built from 1976 to 1979. The dwellings range in size from 1,200 to 1,314 square feet of above ground living area. The comparables each have a lower level, three of which are finished. Each comparable has central air conditioning, a fireplace, and a garage ranging in size from 441 to 528 square feet of building area. The comparables sold from November 2019 to October 2020 for prices ranging from \$264,000 to \$334,900 or from \$204.65 to \$279.08 per square foot of above ground living area, including land. The board of review asserted three of these comparables are model matches of the subject. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration, two of which are common to both parties. These comparables are similar to the subject in location, age, design and most features. However, the Board gives less weight to appellant's comparables #2 and #3 which are less similar to the subject in dwelling size than the other comparables in the record. The Board finds the best evidence of market value to be the parties' remaining comparables which are most similar to the subject in dwelling size, two of which are common comparables. These comparables sold from November 2019 to October 2020 for prices ranging from \$264,000 to \$334,900 or from \$204.65 to \$279.08 per square foot of above ground living area, including land. The subject's assessment reflects a market value of \$319,832 or \$243.40 per square foot of above ground living area, including land, which is within the range established by the best comparable sales in the record. Based on this evidence and after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
