

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gia Patel  
DOCKET NO.: 20-04685.001-R-1  
PARCEL NO.: 15-08-209-005

The parties of record before the Property Tax Appeal Board are Gia Patel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$24,789  
**IMPR.:** \$84,646  
**TOTAL:** \$109,435

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,314 square feet of above ground living area. The dwelling was constructed in 1977. Features of the home include a finished lower level, central air conditioning, a fireplace and a 528 square foot garage. The property has an 8,454 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .72 of a mile from the subject. The comparables have sites ranging in size from 7,200 to 7,635 square feet of land area and are improved with split-level dwellings of frame exterior construction that were built from 1977 to 1979 ranging in size from 1,200 to 1,482 square feet of above ground living area. Each comparable has a finished lower level, central air conditioning, and a garage with either 441 or

483 square feet of building area. Four comparables each have a fireplace. The comparables sold from July 2016 to March 2020 for prices ranging from \$260,000 to \$312,500 or from \$201.55 to \$260.42 per square foot of above ground living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$109,435. The subject's assessment reflects a market value of \$328,732 or \$250.18 per square foot of above ground living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .74 of a mile from the subject. The comparables have sites ranging in size from 6,500 to 10,610 square feet of land area and are improved with tri-level dwellings of wood siding exterior construction that were built from 1975 to 1977. Each dwelling has 1,200 or 1,250 square feet of above ground living area. The comparables each have a lower level, two of which are finished and one comparable has a basement with a recreation room. Each comparable has central air conditioning and a garage with either 483 or 506 square feet of building area. Three comparables each have a fireplace. The comparables sold from December 2019 to November 2020 for prices ranging from \$334,900 to \$359,000 or from \$279.08 to \$287.20 per square foot of above ground living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparable #4 which sold over 3 years prior to the January 1, 2020 assessment date and was less likely to be reflective of market value. The Board gives less weight to board of review comparable #3 which has a basement unlike the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables. These seven comparables are similar to the subject in location, age, dwelling size and most features. These comparables sold from June 2019 to October 2020 for prices ranging from \$260,000 to \$350,000 or from \$201.55 to \$287.20 per square foot of above ground living area, including land. The subject's assessment reflects a market value of \$328,732 or \$250.18 per square foot of above ground living area, including land, which is within the range established by the best comparable sales in the record. Based on this evidence and after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
