

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leslie Getlin
DOCKET NO.: 20-04686.001-R-1
PARCEL NO.: 15-08-114-003

The parties of record before the Property Tax Appeal Board are Leslie Getlin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,526
IMPR.: \$117,516
TOTAL: \$150,042

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 2,678 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement with finished area, central air conditioning, a 612 square foot inground swimming pool, and a 420 square foot garage. The property has a 12,160 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .43 of a mile from the subject. The comparables have sites ranging in size from 12,019 to 12,302 square feet of land area and are improved with 2-story dwellings of frame exterior construction ranging in size from 2,611 to 2,678 square feet of living area. The dwellings were constructed from 1990 to 1993. The comparables each have a basement with finished area, central air conditioning, a fireplace,

and a garage with 420 or 497 square feet of building area. The appellant reported comparable #3 was a rehab in 2017. The comparables sold from August 2019 to July 2020 for prices ranging from \$390,000 to \$425,000 or from \$147.56 to \$162.77 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,042. The subject's assessment reflects a market value of \$450,712 or \$168.30 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .46 of a mile from the subject. The properties have sites ranging in size from 12,010 to 15,430 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,474 to 2,919 square feet of living area and were built in 1989 or 1992. The comparables have basements, four of which have finished area. Each comparable has central air conditioning and a garage ranging in size from 420 to 498 square feet of building area. Four comparables each have one fireplace. Comparable #4 has an inground swimming pool. The comparables sold from March to August 2019 for prices ranging from \$460,000 to \$495,000 or from \$166.15 to \$187.95 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration. These comparables are similar to the subject in location, design, age, dwelling size and some features. However, the Board finds eight comparables lack an inground swimming pool and one comparable lacks finished basement area which are features of the subject, suggesting upward adjustments are necessary to make them more equivalent to the subject. These comparables sold from March to July 2020 for prices ranging from \$390,000 to \$495,000 or from \$147.56 to \$187.95 per square foot of living area, including land. The subject's assessment reflects a market value of \$450,712 or \$168.30 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
