

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yevgeniy Beygel
DOCKET NO.: 20-04710.001-R-1
PARCEL NO.: 14-36-202-005

The parties of record before the Property Tax Appeal Board are Yevgeniy Beygel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$50,974
IMPR.: \$130,643
TOTAL: \$181,617

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,230 square feet of living area. The dwelling was constructed in 1969 and has an effective age of 1971. Features of the home include a basement, central air conditioning, a fireplace, and a 806 square foot garage. The property has a 43,143 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales presented in two grid analyses. The comparables are located from 0.46 to 0.97 of a mile from the subject. The parcels range in size from 40,488 to 220,257 square feet of land area and are improved with 2-story homes of frame or brick and frame exterior construction ranging in size from 2,732 to 3,146 square feet of living area. The dwellings were built from 1956 to 1982 with the oldest home having an effective age

of 1982. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 675 square feet of building area. The comparables sold from March 2019 to January 2020 for prices ranging from \$445,000 to \$535,000 or from \$143.27 to \$172.04 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,617. The subject's assessment reflects a market value of \$545,560 or \$168.90 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.09 to 0.47 of a mile from the subject. The parcels range in size from 39,370 to 45,520 square feet of land area and are improved with 1-story homes of brick exterior construction ranging in size from 2,322 to 3,498 square feet of living area. The dwellings were built from 1963 to 1998 with comparables #1 and #2 having effective ages of 1970 and 1985, respectively. Each home has a basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 504 to 998 square feet of building area. Comparable #1 has an inground swimming pool. The comparables sold from July 2019 to November 2020 for prices ranging from \$508,000 to \$625,000 or from \$178.67 to \$236.86 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2 and the board of review's comparables #1, #3, and #4, due to significant differences from the subject in dwelling size, age, site size, and/or inground swimming pool amenity.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3 and the board of review's comparable #2, which are more similar to the subject in dwelling size, age, site size, and features, although these comparables have newer effective ages than the subject and one of these comparables is a 1-story home compared to the subject 2-story home, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from April 2019 to January 2020 for prices ranging from \$445,000 to \$565,000 or from \$143.27 to \$190.30 per square foot of living area,

including land. The subject's assessment reflects a market value of \$545,560 or \$168.90 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
