

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Kallas
DOCKET NO.: 20-04711.001-R-1
PARCEL NO.: 14-31-303-003

The parties of record before the Property Tax Appeal Board are Kevin Kallas, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,315
IMPR.: \$129,252
TOTAL: \$159,567

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,174 square feet of living area. The dwelling was constructed in 1971 and has an effective age of 2004. Features of the home include a basement, central air conditioning, a fireplace and a 483 square foot garage. The property has a 12,829 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.03 to 0.95 of a mile from the subject. The parcels range in size from 11,261 to 27,351 square feet of land area and are improved with 2-story homes of brick or frame exterior construction ranging in size from 2,656 to 3,284 square feet of living area. The dwellings were built from 1965 to 1987 with the oldest home having an effective age of 1975. The appellant reported that comparable #3 was

recently rehabbed. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 518 to 833 square feet of building area. The comparables sold from May 2019 to June 2020 for prices ranging from \$399,000 to \$470,000 or from \$129.42 to \$153.71 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,567. The subject's assessment reflects a market value of \$479,324 or \$151.02 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparable #2 is the same property as the appellant's comparable #3. The comparables are located from 0.09 to 0.91 of a mile from the subject. The parcels range in size from 11,260 to 26,870 square feet of land area and are improved with 1-story or 2-story homes of brick or brick and wood siding exterior construction ranging in size from 2,702 to 3,133 square feet of living area. The dwellings were built from 1963 to 1988 with comparable #2 having an effective age of 1975. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 464 to 833 square feet of building area. The comparables sold from July 2019 to October 2020 for prices ranging from \$470,000 to \$615,000 or from \$150.02 to \$208.76 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #4 and the board of review's comparables #1, #3, and #5, due to substantial differences from the subject in dwelling size, design, and/or lot size.

The Board finds the best evidence of market value to be the appellant's comparable #3/board of review's comparable #2, the appellant's comparables #2 and #5, and the board of review's comparable #4, which are more similar to the subject in dwelling size, location, lot size, and features, although these comparables have older effective ages than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from May 2019 to September 2020 for prices ranging from \$445,000 to \$515,000 or from \$137.26 to \$177.22 per square foot of living area,

including land. The subject's assessment reflects a market value of \$479,324 or \$151.02 per square foot of living area, including land, which is within the range established by the best comparable sales in this record and is well supported given the subject's newer effective age than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
