

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Todd Johnson
DOCKET NO.: 20-04712.001-R-1
PARCEL NO.: 14-34-301-026

The parties of record before the Property Tax Appeal Board are Todd Johnson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,228
IMPR.: \$145,946
TOTAL: \$183,174

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,226 square feet of living area. The dwelling was constructed in 2014. Features of the home include a basement, central air conditioning, a fireplace, and a 429 square foot garage. The property has a 2,757 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.02 to 0.64 of a mile from the subject. The parcels range in size from 2,757 to 39,777 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,971 to 3,172 square feet of living area. The dwellings were built from 1993 to 2007. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 400 to 640 square feet of building area. Comparable #2 has an inground swimming pool. The comparables

sold from April to September 2019 for prices ranging from \$129.59 to \$166.82 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$183,174. The subject's assessment reflects a market value of \$550,237 or \$170.56 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.53 of a mile to 2.39 miles from the subject. The parcels range in size from 39,020 to 40,940 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,930 to 3,200 square feet of living area. The dwellings were built from 1978 to 1990 with comparables #3, #4, and #5 having effective ages of 1980, 1992, and 1993, respectively. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 638 to 770 square feet of building area. Comparable #3 has an inground swimming pool. The comparables sold from January 2019 to June 2020 for prices ranging from \$545,000 to \$618,000 or from \$186.01 to \$202.77 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2 and the board of review's comparables, due to substantial differences from the subject in age/effective age, location, lot size, and/or inground swimming pool amenity.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3, which are similar to the subject in dwelling size, age/effective age, location, lot size, and features. These most similar comparables sold in July and September 2019 for prices of \$385,000 and \$529,000 or for \$129.59 and \$166.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$550,237 or \$170.56 per square foot of living area, including land, which is above the best comparable sales in this record, but is well supported given the subject is a newer home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
