

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kimberly Dzien
DOCKET NO.: 20-04714.001-R-1
PARCEL NO.: 14-33-105-004

The parties of record before the Property Tax Appeal Board are Kimberly Dzien, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,830
IMPR.: \$184,045
TOTAL: \$229,875

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,865 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished walk-out basement, central air conditioning, two fireplaces and a 904 square foot garage. The property has a 59,198 square foot lake front site and is located in Deer Park, Ela Township, Lake County.¹

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eleven comparable sales located within 1.19 miles from the subject property. The comparables have sites that range in size from 33,846 to 104,702 square feet of land area and are improved with 2-story dwellings of brick or frame exterior construction

¹ The property record card for the subject property, submitted by the board of review, reported the subject site as having lake frontage and the subject basement as walk-out in design.

that range in size from 3,138 to 4,465 square feet of living area. The dwellings were built from 1982 to 1996. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces and a garage ranging in size from 693 to 888 square feet of building area. Comparable sale #8 also features an inground swimming pool. The properties sold from February 2019 to July 2020 for prices ranging from \$405,000 to \$765,000 or from \$123.06 to \$182.17 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$197,739 which reflects a market value of \$593,276 or \$153.50 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$229,875. The subject's assessment reflects a market value of \$690,523 or \$178.66 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.14 miles from the subject property. The comparables have sites that range in size from 32,430 to 92,800 square feet of land area and are improved with 1.5-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 3,336 to 4,182 square feet of living area. The homes were built from 1987 to 2014. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces and a garage ranging in size from 682 to 1,607 square feet of building area. Comparable sale #4 also features an inground swimming pool. The properties sold from May 2019 to October 2020 for prices ranging from \$675,000 to \$975,000 or from \$190.82 to \$241.40 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 16 comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1, #2, #6, #8 and #10 along with board of review comparables #1, #2, #4 and #5 which differ from the subject in age, dwelling size, site size, garage size and/or a location greater than one mile from the subject property.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, dwelling size and most features. These comparables sold from February 2019 to July 2020 for prices ranging from \$507,000 to \$685,000 or from \$134.38 to \$202.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$690,523 or \$178.66 per square foot of living area, including land,

which falls above the range established by the best comparable sales in this record on an overall basis and within the range on a per square foot basis. After considering adjustments to the comparables for differences from the subject, such as site size and dwelling size, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
