

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Norman Korenthal
DOCKET NO.: 20-04718.001-R-1
PARCEL NO.: 15-06-305-102

The parties of record before the Property Tax Appeal Board are Norman Korenthal, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,592
IMPR.: \$214,455
TOTAL: \$249,047

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,039 square feet of living area. The dwelling was constructed in 2007. Features of the home include a basement, central air conditioning, a fireplace, and a 855 square foot garage. The property has a 18,121 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales presented in two grid analyses. The comparables are located within 0.50 of a mile from the subject. The parcels range in size from 11,378 to 14,677 square feet of land area and are improved with 2-story homes of brick, frame, or brick and frame exterior construction. The dwellings were built from 2007 to 2014 and range in size from 3,557 to 4,226 square feet of living area. Each home features a basement, one of which has finished area, central air conditioning, one or two fireplaces, and a garage ranging in

size from 750 to 809 square feet of building area. The comparables sold from April 2019 to April 2020 for prices ranging from \$590,000 to \$609,000 or from \$141.98 to \$171.21 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$249,047. The subject's assessment reflects a market value of \$748,114 or \$185.22 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within 0.37 of a mile from the subject. The comparables have 11,630 or 12,950 square foot sites improved with 2-story homes of brick or brick and stone exterior construction with 3,650 or 4,469 square feet of living area. The dwellings were built in 2014 or 2018. Each home has a basement with finished area, central air conditioning, a fireplace, and a 713 or 858 square foot garage. The comparables sold in January 2018 and March 2020 for prices of \$850,000 and \$840,000 or for \$232.88 and \$187.96 per square foot of living area, including land, respectively. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparable #2, which sold less proximate in time to the assessment date than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparable #1, which are similar to the subject in dwelling size, age, location, lot size, and features, although two of these comparables have finished basement area unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from April 2019 to April 2020 for prices ranging from \$590,000 to \$840,000 or from \$141.98 to \$187.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$748,114 or \$185.22 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
