

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Bromley
DOCKET NO.: 20-04725.001-R-1
PARCEL NO.: 15-05-426-003

The parties of record before the Property Tax Appeal Board are David Bromley, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,603
IMPR.: \$83,628
TOTAL: \$107,231

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 6,900 square feet of living area. The dwelling was constructed in 1980 and has a reported effective year of 1983. Features of the home include a concrete-slab foundation, central air conditioning, one fireplace and a 264 square foot garage. The property has an approximately 6,900 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from 0.08 to 0.35 of a mile from the subject property and within the same assessment neighborhood code as the subject. The comparables have sites that range in size from 5,225 to 6,928 square feet of land area and are improved with 2-story dwellings of frame exterior construction ranging in size from 1,564 to 1,868 square feet of living area. The dwellings were built in 1978 and 1979. Each comparable has a concrete-slab foundation, central air conditioning and a garage with either 420 or 441 square feet of building area. The properties sold from September 2019 to June 2020 for prices

ranging from \$240,000 to \$276,000 or from \$147.75 to \$172.63 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$93,772, which would reflect a market value of \$281,344 or \$157.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,231. The subject's assessment reflects a market value of \$322,112 or \$179.75 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located from 0.42 to 0.58 of a mile from the subject and within the same assessment neighborhood code as the subject. The comparables have sites that range in size from 6,500 to 8,620 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction that have either 1,836 or 1,868 square feet of living area. The dwellings were built from 1975 to 1978. Each comparable has central air conditioning and a garage that have either 441 or 471 square feet of building area. Four comparables each have basements, with two having finished area and one comparable has a crawl-space foundation. Two comparables each have one fireplace. The properties sold from May 2019 to September 2020 for prices ranging from \$340,000 to \$387,500 or from \$182.01 to \$207.44 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten suggested comparable sales for the Board's consideration. The Board gave less weight to the board of review comparables #2, #3, #4 and #5 due to their dissimilar basement foundations when compared to the subject's concrete slab foundation.

The Board finds the best evidence of market value to be the appellant's comparables along with the board of review comparable #1. These comparables are relatively similar to the subject in location, foundation, dwelling size, design, and some features. The properties sold in June and August 2020 for prices ranging from \$240,000 to \$340,000 or \$147.75 to \$182.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$322,113 or \$179.75 per square foot of living area, including land, falls within the range established by the best comparable sales in the record both in terms of overall market value and on a price per square foot basis. Based on this record and after considering adjustments to the comparables sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
