

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Weinstein  
DOCKET NO.: 20-04733.001-R-1  
PARCEL NO.: 15-05-414-017

The parties of record before the Property Tax Appeal Board are Michael Weinstein, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$24,597  
**IMPR.:** \$97,058  
**TOTAL:** \$121,655

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,170 square feet of living area. The dwelling was constructed in 1978. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 420 square foot garage. The property has an approximately 8,200 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales presented in two grid analyses. The comparables are located within 0.64 of a mile from the subject and have sites that range in size from 7,000 to 9,332 square feet of land area and are improved with 2-story dwellings of frame exterior construction that have 2,232 or 2,347 square feet of living area. The dwellings were built from 1977 to 1984. Each comparable has a basement, with two having finished area, central air conditioning and a garage with 441 or 462 square feet of building area. Two comparables each have one fireplace. The properties sold from April 2019 to June 2020 for

prices ranging from \$335,000 to \$410,000 or from \$142.74 to \$183.69 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$121,655. The subject's assessment reflects a market value of \$365,440 or \$168.41 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales where comparable #1 is the same property as the appellant's comparable #5. The comparables are located within 0.46 of a mile from the subject and have sites that range in size from 5,510 to 10,040 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction that range in size from 2,172 to 2,347 square feet of living area. The dwellings were built from 1976 to 1979. Each comparable has central air conditioning and a garage ranging in size from 440 to 462 square feet of building area. Four comparables each have one fireplace. Three comparables have a basement with one having finished area and two comparables have a crawlspace or concrete-slab foundation. The properties sold from May 2019 to December 2020 for prices ranging from \$360,000 to \$410,000 or from \$164.65 to \$183.70 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested comparable sales for the Board's consideration with one common comparable to both parties. The Board gave less weight to the board of review comparables #2 and #5 due to their dissimilar foundation type when compared to the subject's unfinished basement.

The Board finds the best evidence of market value to be the appellant's comparables along with the board of review comparables #1, #3 and #4, which includes the common comparable. These comparables are relatively similar to the subject in foundation, location, dwelling size, age and some features. The properties sold from April 2019 to September 2020 for prices ranging from \$335,000 to \$410,000 or from \$142.74 to \$183.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$365,440 or \$168.41 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record both in terms of overall market value and on a price per square foot basis. Based on this record and after considering adjustments to the comparables sales for differences when compared to the subject, based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
