

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bill Milford
DOCKET NO.: 20-04747.001-R-1
PARCEL NO.: 14-27-203-002

The parties of record before the Property Tax Appeal Board are Bill Milford, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,180
IMPR.: \$136,969
TOTAL: \$188,149

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,282 square feet of living area. The dwelling was constructed in 1972. Features of the home include a basement, central air conditioning, one fireplace and a 782 square foot garage. The property has an approximately 83,270 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales presented in two grid analyses. The comparables are located within approximately 1.1 miles from the subject and have sites ranging from 45,934 to 107,550 square feet of land area and are improved with or 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,713 to 3,442 square feet of living area. The dwellings were built from 1967 to 1990 with comparable #1 having an effective year built of 1978. Each comparable has a basement, one with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 528 to 918 square feet of

building area. The properties sold from February 2019 to May 2020 for prices ranging from \$455,000 to \$525,000 or from \$152.53 to \$173.24 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,149. The subject's assessment reflects a market value of \$565,182 or \$172.21 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales, with comparables #3 and #5 being the same properties as the appellant's comparables #3 and #1, respectively. The comparables are located within approximately 1.1 miles from the subject and have sites ranging from 47,580 to 107,550 square feet of land area and are improved with 1-story, 1.5-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,631 to 3,597 square feet of living area. The dwellings were built from 1966 to 1970 with comparables #1 and #5 having effective years built of 1975 and 1978, respectively. Each comparable has a basement, one with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 506 to 782 square feet of building area. The properties sold from June 2019 to November 2020 for prices ranging from \$515,000 to \$620,000 or from \$152.53 to \$201.44 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested comparable sales, with two comparables being common to both parties, for the Board's consideration. The Board gave less weight to the appellant's comparables #1, #3, #4 and #5 along with the board of review comparables #2, #3, #4 and #5, which includes the two common comparables, for their dissimilar dwelling size, age, distance, and/or larger lot size when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2 along with the board of review comparable #1. These comparables are similar to the subject in foundation, location, dwelling size, age, lot size and some features. The properties sold in February 2019 and November 2020 for prices of \$455,000 and \$620,000 or \$153.77 and \$172.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$565,182 or \$172.21 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after

considering adjustments to the comparables sales for differences when compared to the subject, based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
