

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexandra Carson  
DOCKET NO.: 20-04769.001-R-1  
PARCEL NO.: 14-24-401-015

The parties of record before the Property Tax Appeal Board are Alexandra Carson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$72,010  
**IMPR.:** \$257,331  
**TOTAL:** \$329,341

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 6,934 square feet of living area. The dwelling was constructed in 1972 and has an effective age of 1989. Features of the home include an unfinished basement, central air conditioning, four fireplaces, and a garage containing 816 square feet of building area. The property has an approximately 135,580 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 2.3 miles of the subject. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 5,800 to 6,302 square feet of living area. The homes were built from 1988 to 1999. Each dwelling has central air conditioning, one to three fireplaces, a basement with three having

finished area, and a garage ranging in size from 780 to 1,447 square feet of building area. The parcels range in size from 44,431 to 92,347 square feet of land area. The comparables sold from July 2019 to July 2020 for prices ranging from \$755,000 to \$910,000 or from \$123.69 to \$156.90 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$309,688, for an estimated market value of \$929,157 or \$134.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$329,341. The subject's assessment reflects a market value of \$989,309 or \$142.68 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 1.5 miles of the subject. The comparables consist of two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 5,865 to 7,435 square feet of living area. The dwellings were built from 1998 to 2010. Each dwelling has central air conditioning, three to seven fireplaces, an unfinished basement, and a garage ranging in size from 1,011 to 1,550 square feet of building area. Comparable #3 has an inground swimming pool. The parcels range in size from 60,050 to 60,760 square feet of land area. The comparables sold from December 2019 to October 2020 for prices ranging from \$950,000 to \$1,350,000 or from \$147.91 to \$181.57 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables #1 and #2, which are significantly newer dwellings than the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable #3, which are similar to the subject in age and some features. However, three of the comparables have finished basement area and one comparable has an inground swimming pool suggesting downward adjustments would be necessary to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$755,000 to \$1,050,000 or from \$123.69 to \$179.03 per square foot of living area, including land. The subject's assessment reflects a market value of \$989,309 or \$142.68 per square foot of living area, including land, which is within the range established by the best comparable sales in

this record, and appears justified based on the subject's larger dwelling and parcel than the best comparables. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
