

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan Mitchell
DOCKET NO.: 20-04770.001-R-1
PARCEL NO.: 14-22-405-011

The parties of record before the Property Tax Appeal Board are Alan Mitchell, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$85,704
IMPR.: \$243,531
TOTAL: \$329,235

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,772 square feet of living area. The dwelling was constructed in 2016. Features of the home include an unfinished walk-out style basement, central air conditioning, two fireplaces, and a garage containing 724 square feet of building area. The property has an approximately 36,800 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .26 of a mile of the subject and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of brick or frame exterior construction ranging in size from 4,025 to 5,625 square feet of living area. The homes were built from 2007 to 2018. Each dwelling has central air conditioning, one to three fireplaces, an unfinished basement, and a garage ranging in size

from 769 to 1,034 square feet of building area. Comparable #2 has an inground swimming pool. The parcels range in size from 32,997 to 39,773 square feet of land area. The comparables sold from January 2019 to June 2020 for prices ranging from \$849,900 to \$1,125,000 or from \$197.28 to \$240.99 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$329,235, for an estimated market value of \$987,804 or \$207.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$339,326. The subject's assessment reflects a market value of \$1,019,303 or \$213.60 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales, one of which is the same property as appellant comparable #4. The remaining comparable is located within .4 of a mile of the subject and is a two-story dwelling of brick and wood siding exterior construction with 4,780 square feet of living area. The dwelling was built in 2002 and has central air conditioning, two fireplaces, an unfinished basement, and a garage containing 1,081 square feet of building area. The parcel contains 32,230 square feet of land area. The comparable sold in August of 2019 for \$1,049,000 or \$219.46 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of five comparable sales to support their respective positions before the Property Tax Appeal Board, with one being common to the parties. The Board gives less weight to the appellant's comparables #2 and #4/board of review comparable #1 due to differences in dwelling size and/or inground swimming pool feature when compared to the subject. The Board also gives reduced weight to the board of review's comparable #2 due to its older dwelling in relation to the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #3, which are similar to the subject in age, dwelling size, and features. These most similar comparables sold for prices of \$849,900 and \$990,000 or for \$197.28 and \$207.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,019,303 or \$213.60 per square foot of living area, including land, which is above the best comparable sales in this record. Based on this evidence and after considering adjustments to the

best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
