

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barry Ennessy
DOCKET NO.: 20-04781.001-R-1
PARCEL NO.: 14-21-404-027

The parties of record before the Property Tax Appeal Board are Barry Ennessy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,688
IMPR.: \$100,420
TOTAL: \$120,108

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of wood siding exterior construction with 1,664 square feet of living area. The dwelling was constructed in 1973. Features of the home include a finished lower level, a basement, central air conditioning, a fireplace, and a garage containing 462 square feet of building area. The property has a 9,720 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 2.76 miles of the subject, one of which is in the same assessment neighborhood as the subject. The comparables consist of split-level dwellings of frame exterior construction ranging in size from 1,702 to 1,913 square feet of living area. The homes were built from 1969 to 1986 with comparable #3 having an effective age of 1988. Each dwelling has central air conditioning, a finished lower level, a

basement, and a garage ranging in size from 420 to 546 square feet of building area. Three comparables each have a fireplace. The parcels range in size from 8,399 to 58,602 square feet of land area. The comparables sold from July 2019 to March 2020 for prices ranging from \$320,000 to \$405,000 or from \$188.01 to \$213.48 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$105,376, for an estimated market value of \$316,160 or \$190.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$120,108. The subject's assessment reflects a market value of \$360,793 or \$216.82 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .57 of a mile and within the same assessment neighborhood as the subject. The comparables consist of split-level dwellings of wood siding exterior construction with either 1,636 or 1,768 square feet of living area. The dwellings were built from 1974 to 1977. Each dwelling has central air conditioning and a garage containing either 462 or 546 square feet of building area. Three comparables each have a fireplace. The parcels range in size from 8,870 to 18,280 square feet of land area. The comparables sold from June 2019 to December 2020 for prices ranging from \$350,000 to \$359,000 or from \$197.96 to \$213.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1, #3, and #4 due to differences in age, parcel size, and/or location more than two miles from the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and the board of review's comparable sales, which are similar to the subject in age, dwelling size, and most features, noting that the comparables lack a basement suggesting upward adjustments would be necessary to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$347,500 to \$359,000 or from \$196.55 to \$213.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$360,793 or \$216.82 per square foot of living area, including land, which is slightly above the range established by the best comparable sales in this record. However, after considering

adjustments to the best comparables for differences when compared to the subject, such as their lack of basement, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
