

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Manish Sinha
DOCKET NO.: 20-04784.001-R-1
PARCEL NO.: 14-15-409-039

The parties of record before the Property Tax Appeal Board are Manish Sinha, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,714
IMPR.: \$244,507
TOTAL: \$294,221

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,956 square feet of living area. The dwelling was constructed in 2017. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 925 square feet of building area. The property has an approximately 20,010 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .41 of a mile and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 3,317 to 4,109 square feet of living area. The homes were built from 2015 to 2018. Each dwelling has central air conditioning, one

or two fireplaces, a basement with one having finished area,¹ and a garage ranging in size from 744 to 818 square feet of building area. The parcels range in size from 15,412 to 33,166 square feet of land area. The comparables sold from August 2018 to April 2020 for prices ranging from \$610,000 to \$850,000 or from \$158.90 to \$215.32 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$262,388, for an estimated market value of \$787,243 or \$199.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$294,221. The subject's assessment reflects a market value of \$883,812 or \$223.41 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .28 of a mile of the subject and within the same assessment neighborhood as the subject. Comparables #3 and #5 are the same properties as appellant comparables #4 and #2, respectively. The comparables consist of two-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 3,317 to 4,349 square feet of living area. The dwellings were built from 2013 to 2017. Each dwelling has central air conditioning, one or two fireplaces, a basement with one having finished area, and a garage ranging in size from 744 to 946 square feet of building area. The parcels range in size from 13,820 to 30,020 square feet of land area. The comparables sold from June 2019 to October 2020 for prices ranging from \$650,000 to \$960,000 or from \$163.26 to \$239.16 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to the appellant's comparables #1, #2, and #4, which include the common comparables, due to their smaller dwelling compared the subject, finished basement, a feature the subject lacks, or less proximate sale date for valuation as of January 1, 2020.

The Board finds the best evidence of market value to be appellant's comparable sale #3, along with board of review comparable sales #1, #2, and #4, which are similar to the subject in age,

¹ The appellant also submitted property sketches for the subject and the comparables which indicate that comparable #4 has finished basement area.

dwelling size, and features. These most similar comparables sold for prices ranging from \$710,000 to \$960,000 or from \$163.26 to \$239.16 per square foot of living area, including land. The subject's assessment reflects a market value of \$883,812 or \$223.41 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
