

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeeri Reddy  
DOCKET NO.: 20-04792.001-R-1  
PARCEL NO.: 14-15-303-028

The parties of record before the Property Tax Appeal Board are Jeeri Reddy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$42,963  
**IMPR.:** \$208,511  
**TOTAL:** \$251,474

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,955 square feet of living area. The dwelling was constructed in 2017. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 795 square feet of building area. The property has an approximately 13,630 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.84 miles of the subject. The comparables consist of two-story dwellings of brick or frame exterior construction ranging in size from 3,285 to 3,966 square feet of living area. The homes were built in 2002 or 2003. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 682 to 713 square feet of building area. The parcels range in size

from 40,075 to 40,511 square feet of land area. The comparables sold from March to May 2019 for prices ranging from \$503,000 to \$568,000 or from \$139.94 to \$153.12 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$201,685, for an estimated market value of \$605,116 or \$153.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$257,610. The subject's assessment reflects a market value of \$773,836 or \$195.66 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .19 of a mile and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 3,142 to 3,946 square feet of living area. The dwellings were built from 2012 to 2015. Each dwelling has central air conditioning, an unfinished walk-out style basement, and a garage ranging in size from 765 to 829 square feet of building area. Two comparables each have a fireplace. The parcels contain either 13,080 or 13,090 square feet of land area. The comparables sold from February 2019 to December 2020 for prices ranging from \$612,500 to \$750,000 or from \$190.07 to \$194.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables due to differences in age, parcel size, and/or dissimilar location when compared to the subject.

The Board finds the best evidence of market value to be the board of review comparable sales, which are similar to the subject in age, location, and features. These most similar comparables sold for prices ranging from \$612,500 to \$750,000 or from \$190.07 to \$194.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$773,836 or \$195.66 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
